Keeping Up - - With Uplanders

By V. V. P.

HIGH RESTRICTIONS

"I was one of the leaders in howling for lower restrictions a few months ago—and now I have changed my mind. I think Uplanders have done the smart thing in maintaining high residential requirements."

Such was the expression of a local realtor the other day.

"I have been at your city council meetings complaining about the high cost of development in Upland and I said the city dads were holding back the town", he continued. "I don't think so any more. I am going to be very active in seeing that Upland does not lower the restrictions."

COFFEE, CHICKENS, TRAILERS

E. M. Workman, 891 Central avenue, makes good coffee and he enjoys his work as a poultryman.

We know about his coffee. The other afternoon we were "visiting" on Central avenue. "Come on in and have a cup of my coffee," he invited. "Did you make this?" we asked. "I don't know for sure whether I made it or my wife. All I know is that we have a hot percolator here on the table most of the time." He was in the house during a brief interlude from his chores as a poultryman.

Mr. and Mrs. C. D. Lynch have an unique business in Upland. They maintain this community's only trailer park at 984 Central avenue.

"People seem to like it here," she boasted. "Some of our tenants have been here two years. Others come and go and frequently they return and stay indefinitely.

Who lives in trailers here? Among the local tenants are a retired couple, a young man employed on a construction project and his wife, people interested in getting acquainted with the community who temporarily stay in a trailer before locating and people on vacation who tour from area to area,

WE WANT "BILL"

It is with regret we learned of William Gilliland's plan to retire from membership on the Chaffey board of education.

We can appreciate the sacrifice he personally accepts in time and energy in serving so unselfishly and devotedly. Since he has been on the Chaffey board only three years, we wish he could be prevailed upon to continue his outstanding service. He is chairman of the board and a strong factor in helping guide the school leaders in the development of the rapidly expanding Chaffey school system.

An excellent public servant, an aggressive leader, and one who counsels wisely, Mr. Gilliland would give valued service to all the community if he would continue to serve, at least for another term.

In a community such as this, there are capable people who can be called upon for public service but the fact remains Mr. Gilliland is regarded by many people as the "ideal" type of a person for membership on the Chaffey board. We appeal to him for continued service.

Incidentally, Mr. Gilliland is Upland's representative on the Chaffey Board — and Upland's representation should continue. At least two Ontario residents are candidates for the one vacancy that will be filled in the May 20 election. If Mr. Gilliland cannot be prevailed upon to offer his services for another, some other Upland candidate must be offered—and soon.

DEVORE CUT-OFF

Assemblyman Eugene G. Nisbet has responded tersely and properly in the question of supporting the legislative bill in favor of the proposed Devore cut-off. The measure is scheduled for consideration by state senators and assemblymen in Sacramento. If approved, it would mean state funds will be used in the construction of the proposed short-cut route from a point near Etiwanda avenue south of Foothill boulevard on a diagonal route to Cajon pass.

"I will support the state bill so long as it includes provision for the Devore cut-off," Mr. Nisbet said. And in that statement he has the backing of The Upland News and many citizens in the area.

Some people find it so easy to critize public officials. Mr. Nisbet is accustomed to public office and we doubt if any politically inspired criticism is bothering him.

He is well aware of the need of the Devore cut-off and we are confident he is going to do everything possible to achieve it.

Miss Stanford Tells Rotarians Of Customs And Life In Denmark

Miss Mable Stanford, director of public relations for Chaffey schools, showed a series of colored slides taken during a trip she made last year to Denmark at a luncheon meeting yesterday of the Rotary club in the Upland Woman's club.

Miss Stanford told Rotarians of the standard of living and general conditions in the low countries.

Frank Pendergast was chairman of the meeting which was attended by 18 visitors. Dr. Lyle Callow will be program chairman next week.

39,671 Refugee Shelter Billets

By utilizing all buildings as billets, including churches, halls and offices, Upland can shelter 39,671 persons in case of a disaster, such as an atomic bombing, that will pour refugees into the city, Miss Eunice Mitchell, in charge of a civilian defense mass care survey, announced.

A survey of 525 homes indicated that shelter is available for 2,231 refugees. The homes now house 1,776 persons. Using the ratio set up by this survey on all homes in Upland a total of 13,922 persons can be cared for in homes. The rest of the 39,671 persons would be given shelter in improvised billets, she said.

Kitchen facilities from a survey of homes, restaurants and auxiliary units disclosed that meals can be prepared for 61,813 persons daily. This figure included kitchens at Memorial and San Antonio parks.

Stores and homes were surveyed for clothing stocks ranging from baby wear to shoes. Complete outfits can be provided for 3,894 refugees with hundreds of accessory items available. The greatest shortage was in blankets, Miss Mitchell said.

Helping with the survey, that was completed yesterday, were Col. D. J. Rutherford, chairman of the Red Cross chapter board, Mrs. Harry J. Reading, Mrs. Maurice Wilkins, Mrs Florence Laird, Mrs. Mildred Alison, Mrs. B. E. Thomas, Mrs. Joe Agapay, Mrs. Homer Greear and Mrs. Harry Plum.

Two Fifth Grade Teachers Named For Baldy View

Two contracts were offered teachers, after approval by the Upland Elementary school district board of trustees Monday night, to further plans for adding the fifth grade to Baldy View Elementary school with the coming fall term.

Charles R. Williams, 29, now teaching at Hilmar, and Mrs. Phyllis Saltzman, South Bend, Ind., were approved by the board to receive contracts.

Mr. Williams is a graduate of San Antonio junior college and La Verne college. He has taught at Hilmar for five years and is formerly from Southern California.

Mrs. Saltzman is now teaching in South Bend and is the wife of Royce Saltzman who will head the Upland college music department next year.

The board also hired Mrs. Eloise W. Claphan, 1049 E. Sixth St., Ontario, to fill part time custodial duties previously held by Mrs. Josephine Sigfired, who resigned recently.

The board purchased a 75-inch power lawn mower for $1,061 and 19 picnic tables for junior high school.

With the ninth grade being moved to the new high school next year, the board agreed that more emphasis should be placed on instrumental musical training. By making training available to fourth, fifth and sixth graders the orchestra of seventh and eighth graders will show improvement in coming years.

They voted to hire a full time instrumental musical instructor to teach in all elementary schools next year.

Federal Hearing Results Awaited

Crevolin Named To Head Recently Organized Upland Building & Loan

Andrew J. Crevolin is today president of the Upland Savings and Loan association with Ralph H. Miller and Jack Clark being vice presidents.

Other officers are Charles Milhiser, secretary; Kirk Hill treasurer and L. J. Barden and Alfred Vinnell, directors. While Mr. Crevolin is the largest shareholder, it is reported he does not own the majority holdings.

The association is being formed as a preliminary in seeking federal depository insurance and in becoming established as an Upland business. Of top interest to the association stockholders is a public hearing in Washington, D. C. April 26.

The Pomona First Federal Savings and Loan association has applied to the Home Loan Bank board for the right to establish a branch in Upland. This application is being protested by the Upland association and Mr. Crevolin said yesterday he would be in Washington for the hearing.

Charter for the Upland association was approved by the California Savings and Loan commissioner at a hearing March 8. The local association, however, needs approval from the Home Loan Bank board for the right to have depositors' insurance. If this insurance is granted the Pomona association for Upland, then the new Upland association is unlikely to receive the insurance, according to Mr. Crevolin.

"The issue is squarely drawn over whether Upland will be allowed to have its own savings and loan association or whether the community must be satisfied with a branch operation of a Pomona-Los Angeles county corporation," Mr. Crevolin said. "This would mean then that for many years the only savings and loan facility in Upland would be a branch of Pomona First."

Mr. Miller observed that many Upland officials and organizations are "closing ranks to meet the threat of a Los Angeles county organization over Upland thrift and home financing. Active assistance of Congressman Harry R. Sheppard has been promised."

"If the federal government grants the Pomona First branch, then the state commisioner's ruling in favor of Upland will be, in effect, overruled. "The federal government will insure only one association in a city of Upland's size."

Engineer Hired By Cucamonga District Board

James Montgomery, who heads his own Pasadena engineering firm, was retained to make a survey and give advance estimates of the cost of bringing supplemental water to the Cucamonga-Alta Loma communities during a recent meeting of the board of directors of the Cucamonga County Water district.

Jerry Dibble, Redlands engineer, was also retained by the board to work with Mr. Montgomery during the preliminary stages of the survey.

Cost of this survey was estimated at $3,000 by Mr. Montgomery and the board agreed to this figure.

The board was advised by its legal counsel, James R. Edwards, that the Cucamonga Protective Assoc., sponsoring agency of the district, could recover money advanced for expenses incurred in formation of the district.

When the plan for bringing water to the communities is worked out, complete with cost of waterworks installations, the board will be in a position to ask for a bond issue election, Mr. Edwards told board members.

The amount of a bond issue can not be determined until after a report of the engineering study. This engineering report will also be necessary in making the bonds saleable, Mr. Edwards said.

Upland Schools Get $3,107 As Share Of Federal Allowance

Upland school district will receive $3,107 from the federal government to help cover the cost of educating the children whose parents work on federally owned property, according to a report to Superintendent Harold Cook from Congressman Harry Sheppard.

Established rules must be observed before a district can qualify. One of the requirements is that at least three per cent of the children enrolled must come from families, the breadwinner of which, is employed on federal property.

Most of the parents who qualify are employed at the Convair plant in Pomona.

Sum of $4,780.79 was sought in the application for federal aid with $3,107. being paid now and the balance to come later after a thorough check of the figures, Mr. Sheppard said.

Christopher Shepherd, five years old, is back at his home, 1549 North Euclid avenue, from San Antonio hospital after a tonsillectomy.

Upland Needs Candidate For Chaffey Board

Traditionally, at least one Upland resident serves as a member of the Chaffey board of education but today two Ontario residents are candidates for the one vacancy on the board and no Uplander is in the race.

William Gilliland's term expires and one board member will be chosen May 20. It is known that friends of Mr. Gilliland are seeking to prevail upon him to allow his name to go on the ballot for another term.

He has served three years and currently is president of the five-man board. Previously, he served on the Upland school board one term.

Uplanders asked him to advance to the Chaffey board three years ago and it is hoped he will choose to continue to serve for another term, subject to outcome of the election.

The late Edward Pollack and Mr. Gilliland were Upland's representatives until Mr. Pollack's recent death. R. F. Barr of Ontario was named Mr. Pollack's successor. If Mr. Gilliland will not allow his name to go on the ballot and if no other Uplander becomes a candidate, this community will be without representation.

Opening of Upland's new high school in September is regarded as an event that warrants local representation in the expressed opinion of local people.

April 20 is the last date for filing of nominating petitions. Candidates at present are Dr. W. J. Kelber, Ontario veterinarian, and Kenneth Parkin.

Mrs. J. F. Sawyer enjoyed an Easter week end visit at her home, 442 North Euclid avenue, from her son and daughter-in-law, Mr. and Mrs. Robert Sawyer, and children, David and Mary Lucinda, who came out from Pasadena.

City To Observe C Street Opening

Appropriate ceremonies marking completion of the C street extension will be planned when the project is ready, it was decided at the meeting of the Upland chamber of commeree directors Tuesday night. While no date can be set yet for completion of the long-awaited project, the committee will make tentative plans immediately.

Paving of the street from Third to Campus avenues is among the

(Continued on page 8)

Applications For 2 Subdivisions Filed With City

"Twenty seven and a half more acres of citrus land for a residential subdivision."

That is the report today from the city hall, the center of tabulations of changes land uses. At least, applications have been filed for new residential developments in the citrus area.

Involving 20 acres west of Euclid avenue between Fifteenth and Sixteenth streets is a proposal for residential lots. Owners of the citrus property applying for a zone change to residential use are Mr. and Mrs. E. C. Heise, Mr. and Mrs. James E. Goodban, Upland, and Mr. and Mrs. Webster McCarty, Los Angeles. This tract is about one fourth of a mile west of Euclid.

Application for the zone change will be received by the Upland city planning commission at its meeting April 28.

Date will be set for a public hearing. It is proposed the residential lots will include 10,000 square feet.

A 7½ acre subdivision is on file for the property on the south side of Sixteenth street east of the Euclid avenue frontage. Ronald Ingold, former mortician of Fontana has purchased the property from John Caltabiano. This tract is already zoned for residential development. It lies immediately east of the attractive M. P. Hoover residence and two other houses now going up on Euclid avenue and is immediately south of the Frank Buffington grove.

Mr. Ingold plans to erect a residence for his family on the property and to proceed with other construction just as soon as the city planners and the city council approve the development.

With completion of the Ingold tract, First and Second avenues will have been extended north to Sixteenth street.

PTA Meeting Well Attended

A new type of meeting, consisting of group discussions, was inaugurated by the Upland Elementary Parent-Teacher association Tuesday evening in the auditorium, which met with great success, according to "comment cards" turned in at the close of the evening. More than 200 parents were present, a record attendance.

Mrs. Rick E. Byrket, president, presided over the business session, during which the revised by-laws were passed, and Mrs. Jack Hurt was elected financial secretary.

In observance of Pan-American day, April 14, Raymond Gomez sang "Are You a Good Neighbor?", accompanied by Donald Bowers at the piano. As the thought for the day, first graders of Mrs. Rita Rue Robbins' room recited the Twenty-third Psalm in unison.

After this portion of the meeting, the parents were divided into three discussion groups. Sixth grade discussion was led by Francis Shaw, president of the Junior High P-T A., and others participating were Edwin Dean, junior high principal; Richard Riley, junior high teacher; Mrs. Elinor Anderson, sixth grade teacher; and also two junior high students, Jon Kay and Jean Thayer. The general subject was "Getting the Child Ready For Junior High".

Third, fourth and fifth grade parents were led in discussion by Mrs. A. B. Weisbrod, district juvenile protection chairman. A film, "Life with Junior", was shown.

A vote of thanks was given to Mrs. Wendell Harmon, program chairman for the evening, and to Mrs. Paul Geren, who took over the hospitality duties in the absence of the chairman.

Kindergarten mothers, under the direction of Mrs. A. R. Clipperton, were hostesses for the social hour which concluded the meeting.

356 First And Second Graders Registered

First Polio Shots Monday

Upland's Cancer Drive Quota Is $2,050 This Year

With a quota of $2,050 for the foothill district, contributions are being received today in the annual campaign being conducted by the San Bernardino county branch of the American Cancer society.

The Upland Woman's club is the sponsoring agency in Upland with Mr. and Mrs. James E. Goodban scheduled to handle the general leadership.

Upland's quota is $1,500. Other quotas and chairman in the foothill area are Alta Loma, $100, Eugene Billings; Cucamonga, $350, George Mahan and Etiwanda, $100, Mrs. James H. Wilson.

"Cancer Prevention Sunday" will be April 17 and church programs throughout the area are expected to place emphasis on this vital effort.

In a "neighbor to neighbor" plan for residential fund-raising, many packets for contributions will be distributed in various blocks in the community.

"The plan has the advantage of presenting a warm, friendly approach to the individual household and of making every family in the neighborhood, for a short time at least, a volunteer of the American Cancer society," Mr. Goodban said.

Andrew Crevolin, Ralph H. Miller and Mrs. Ed Pollack are leaders in the campaign in the west end of the county, with special responsibility for Ontario's quota of $5,000.

No Direct Solicitation

Letters, seeking contributions, have been mailed by Mrs. Leland Scheu to many donors of last year.

"Payroll deductions do not include gifts to the cancer drive," Mrs. Goodban said. "Persons having deductions for charities taken from their pay must make a donation at home through use of the neighbor-to-neighbor plan if they want to help the cancer fund drive."

Mrs. Goodban also pointed out that no direct solicitation would be made. "The drive will start Sunday afternoon and we hope to conclude it within three days," she said.

Persons not contacted through the neighbor to neighbor plan may leave donations at the First National Bank, she advised.

We need more workers and anyone wanting to volunteer can contact me by telephone, she said. The workers will not solicit gifts. They will leave the packets of envelopes at one home chosen in each block. The work will be done by precincts.

The cancer fund drive staff at present includes Mrs. Seymour Lydick, Mrs. Eugene Penner, M Francis Rogers, Mrs. A. B. Harris, Mrs. Thomas A. Gibson, Mrs. J. C. Baird, Mrs. Albert Lichti, Mrs. O. E. Snyder, Mrs. C. P. Jacobs, Mrs. Harry Wright and Mrs. Harry Plum.

Mrs. Upland One Of The Unsuccessful In District Judging

Mrs. Donald L. Bowers, 939 N. Third Pl., as Mrs. Upland, was one of 12 unsuccessful candidates in district competition last Thursday in Pomona that saw Mrs. Kathleen M. Girvan, Chino, rated in first place by judges to enter state competition for Mrs. America honors.

Other contestants were from Azusa, Baldwin Park, Claremont, Covina, Glendora, La-Verne, Ontario, Pomona, Puente, San Dimas and West Covina.

Assistance League Prepares For Election

Considerable time was devoted to discussion of the recent benefit fashion show and dinner dance at the monthly meeting of the Assistance League of Upland Tuesday afternoon at the home of Mrs. Walter E. Stewart, 243 West Eleventh street.

While all figures are still not in, the event was a tremendous success, and funds will be available for the maintenance of the Upland Dental Clinic and the Youth Center in Cucamonga.

Mrs. Lyle W. Callow, president, presided. Named to work with Mrs. Stewart, chairman of the nominating committee, were the Mesdames Richard DuVall, Robert Buchenau, John A. Arm-

Mr. and Mrs. J. D. Hawes, 7801 Turner avenue, Cucamonga, enjoyed a trip during the Easter vacation week with Dr. and Mrs. Glen Goodwill of Monterey, and spent three days in Death Valley. Dr. Goodwill is superintendent of schools of Monterey, and Mrs. Dawes is director of education for the Upland schools.

strong, Jr. and Callow.

Master Sewer Plan Survey For City Gets Study

A master sewer plan can be devised to take care of all Upland's needs through the Campus Ave. outfall line except the district west of San Antonio Ave. south of the PE tracks, amounting to less than 16 per cent of the city's area, R. G. Manley, city manager, said yesterday.

With the exception of this small area, which drains to Benson Ave. on its westerly edge, sewer lines can be constructed to care for flow easterly, he said.

Mr. Manley has asked the cost of making a master plan survey from James M. Montgomery, Pasadena engineer. He contacted Mr. Montgomery following recent council action favoring a master sewer plan survey.

The area west of San Antonio Ave. cannot be serviced through the Ontario outfall sewer line on San Antonio Ave. because this line has several "bottlenecks" preventing any increase in sewer load, the council learned recently from Ontario City Manager Harold Martin.

Permits Issued For Three New Homes

Three new homes were included among five permits issued for $32,300 in new construction during the past week by the building department, Richard Derby, chief building supervisor, announced.

Construction was authorized for a new home for Albert E. Malone at 973 Sycamore Ct., to cost $5,000. Also for Rayburn Anderson at 1310 N. First Ave., for a cost of $18,000, and for Delmer Dopler at 274 N. Palm Ave. to cost $6,500.

Girl Scouts View The Upland News

Members of Girl Scout troop No. 46 visit many local establishments from time to time and this week they inspected The Upland News. Mrs. Henry Busch and Mrs. Don Gannon are leaders of the group.

The eighth grade girls inspecting The New's production plant include Virginia Brancacio, Donita Bastedo, Ellen Reading, Judy O'Brien, Donna Busch, Elizabeth Steen, Kay Gannon, Kathy Gassel, Diane Claflin, Linda Cameron, Jean Thayer and Nancy Chalberg.

Mr. and Mrs. I. J. Linkey, 458 North First avenue, came home Sunday night after a vacation trip of several days. They left Thursday, motoring to Hanford for a visit with their son and new daughter-in-law, Mr. and Mrs. Richard E. Linkey. From there they went to Reedley, where their son-in-law and daughter, Mr. and Mrs. J. Keith Highley, now have a cattle ranch. Since Hanford and Reedley are not far distant, all members of the family were guests of the Highleys on Easter Sunday.

Mr. and Mrs. Harold W. Kime and daughter, Kathleen, 273 South Sultana avenue, motored to Long Beach Sunday and were dinner guests of Mr. Kime's mother, Mrs. Bess Judge. Others in the party were the Kimes' older daughters, Miss Arlene Kime, who is in nurses training in Los Angeles; and Mrs. Richard Beck, and baby daughter, Deborah; also Mrs. Jeannette Whitmer, 565 North Euclid avenue

Polio Shots For First and Second Graders Monday

Salk vaccine polio inoculations are scheduled for Upland first and second graders Monday and for children in the same grades attending Cucamonga Central, Cucamonga Elementary, Guasti, Mt. View, Alta Loma, Etiwanda and Mt. Baldy Elementary schools on Tuesday, Dr. Merle Cosand, county health officer, announced yesterday.

This schedule depends on the availability of the vaccine, Dr. Cosand said.

With the announcement that the vaccine was effective in 80 to 90 per cent of the cases administered among 860,000 first and second graders a year ago, the county and city health departments moved to be in line for vaccine when first shipments are released.

Inoculations will be administered to 356 Upland first and second graders whose parents returned signed requests to the health department authorizing the shots. In the Cucamonga community 289 pupils are signed up for the inoculations. Local doctors will administer the vaccine without charge.

Many parents who have not given approval for their children to have the polio shots may want to do so now that the results of the Salk vaccine tests have been released, Dr. Cosand said.

"This may require a revision of planning. We are anxious to include all first and second graders during this county wide inoculation program," he said.

Information concerning the availability of supplies has not yet reached the county health office although supplies are said to be available, Dr. Cosand said.

Vaccine depots will be located in State Health Department facilities in Berkely and Los Angeles. Car delivery of vaccine will be made to county health departments, according to information from the state health office.

A vaccination will consist of three injections with an interval of a week between the first two and a month between the second and last. First and second graders have been selected because they represent the group of highest risk among school children, Dr. Cosand said.

Jr. High Board To Meet Tuesday

First meeting of the new executive board of Upland Junior High Parent-Teacher association will be held Tuesday evening at 7:30 o'clock in the Junior high library, with Francis Shaw, president, presiding.

Superintendent Harold W. Cook will describe new school facilities to be added for next year, and Edwin Dean, principal, will explain changes in organization and curriculum.

The student council has been invited to suggest ways in which parents can improve school activities. Council members include Marsha Kelber, Sharon Wenger, Donna Busch, Skip Wulf, Kenny Calhoun, Molly Jiminez, Gregory Reisner, Kenny Storms, Karen Noffke, Pat Lemon and Rosa Duran.

All parents and students are welcome to attend the meeting. A special invitation is extended to incoming seventh graders and their parents.

Planners-Council To Thrash Out Alley Problems In Session Today

Future Upland city policy as to alleys in new residential subdivisions is to be the subject of a thorough discussion in the city hall at a meeting starting at 9 a.m. today.

To require alleys or not to require alleys will be the general subject. Proposed changes in the city's zoning laws will also be discussed.

With the public invited to attend, the city planning commission is holding the meeting. All members of the city council have been invited.

At present, alleys are required but recent applicants for new residential development have persisted in pointing out the general trend in the southland against the alley requirement. Rather than to be constantly subjected to the quesion, the city planners decided on the public meeting to receive expressions from local people.

Two Deviations

Deviation from the gridiron pattern set up by the master plan became necessary because of the sharp fall of the land in the foothill area. A self contained subdivision was permitted without alleys.

The second large deviation was a 379 lot tract for Max Bertisch of San Pedro who asked that the development be termed a self-contained subdivision. The council indicated this would be done.

Simon Eisner, planning consultant, held that the use of alleys is entirely up to the residents of Upland. Although alleys are being deleted in other cities this does not make such a deletion right in Upland, he said.

A sample of public opinion was taken at random by The Upland News.

Opinion Sample

Mrs. Edward J. Pollack, who lives in San Antonio Heights said: "I realize alleys may cost a little more to construct and to maintain but I think there is an aesthetic value to be considered."

W. Merle Rash, 943 N. Second Ave., pointed out: "I wouldn't live in an area where there are no alleys, even though I got the property as a gift," the Uplander declared with emphasis. "My employe, Jim Hill, has no alley back of his house. He has to put garbage and trash in front of his yard and sometimes the whole area is littered before it is taken away. I firmly believe alleys should be required."

W. W. Mather, Upland attorney, said: "Personally I like alleys very much. Trash boxes and garbage cans look unsightly along curbs. Alleys are necessary for utility line construction but it might be all right to waive alleys in self contained subdivisions."

Fred H. Jacobs, magistrate of Upland's justice court, said: "Garbage and trash containers eft in front of a house look messy. Alleys are an absolute necessity for utility line easements and alleys are the place garbage and trash should be disposed of and kept out of sight."

Mrs. Oren W. Volz, 615 Tulare Way, past president of the Upland Elementary school PTA said: "Alleys are generally a mess but I don't like the idea of trash and garbage cans on the street. We have our garage available to the alley and this applies to me. It is a problem to keep alleys clean but I like them best."

Council Tables Action On Big Tract Pending Flood Control Agreement

The 379 lot residential tract with 11-acre commercial development proposed by M. Mednick and M. Bertisch, San Pedro developers, moved a step nearer completion today with the announcement of a signed agreement between the developers and the County Flood Control distraict.

The city council at a recent meeting tabled action on the subdivision application until flood control requirements were completed. They also tabled a request by the subdividers to set aside the regular storm drain charges levied against new developments.

The agreement for a flood control dike and channel in the opinion of R. V. Ward, assistant flood control engineer, "will render the tract reasonably free from flood hazard from external sources. We express no opinion of the hazard, if any, which may be imposed upon downstream or other property adversely affected because of increased run-off from proposed tract."

Dike Recommended

The 110 acre development, north of Foothill Blvd. at the easterly city limits, will be protected by a dike 2,100 feet long starting near Red Hill and running to the 15th St. spreading grounds near Campus Ave. The dike will be located about 240 feet north of 15th St.

Councilmen agreed the city had a definite liability to people living downstream from a new development, so far as the hazard of flood water run-off is concerned.

They also agreed, without voting, that the flood control developments agreed on by the developers and county flood control district will not take care of any run-off from the subdivision and commercial development.

The council withheld approval of the subdivision until a zoning ordinance placing the land in residential use has been voted. This ordinance is contingent on flood control installations. They also agreed to withhold action until the matter of annexation relative to 11 acres on the eastern edge of the tract is handled.

The council also wanted more information concerning school district status of the 11 acres up for annexation. The land, now in county territory, is in the Cucamonga Elementary School district.

Guest Preacher For Mission At First Mennonite Church

Dr. E. G. Kaufman of North Newton, Kansas, president of Bethel College for 20 years, and also a former missionary to China, will be guest preacher for the 10:30 o'clock Sunday morning worship service at the First Mennonite church, speaking on "Our God and Father".

Dr. Kaufman will be the speaker also for the Christian Faith Mission which begins Sunday and closes Friday. The general theme will be "Our Christian Doctrines", and the subjects of his messages each evening will be as follows: - Sunday - "Man and Sin"; Monday - "Christ and Salvation"; Tuesday - "Prayer and the Holy Spirit"; Wednesday - "The Bible"; Thursday - "The Church and the Kingdom"; and Friday - "The Future and Immortality".

Catholic Guild Has Business Meeting

Mrs. William J. Weisbruch was hostess for the April meeting of St. Veronica's Guild of St. Joseph's Catholic church Monday evening at her home, 7463 Camino Norte, Red Hill.

Mrs. Albert Dalla Rosa, captain, presided over the business session, and refreshments were served by the hostess during the social hour.

Methodists To Hear Dr. Lee

Dr. Ralph W. Lee, pastor, has announced "The Stranger Speaks" as his sermon topic for the 11 o'clock worship service Sunday morning at the First Methodist church.

The Cathedral choir will sing the anthem, "Rejoice, the Lord Is King" (Darwell-Pfohl).

Miss Ethel Hubler will be the speaker for the 7:30 o'clock evening service.

Nazarene Pastor Will Speak At Two Services

The Rev. William E. Thompson, pastor, will be preaching at the 10:50 o'clock worship service Sunday morning at the First Church of the Nazarene, and will also bring the message for the 7:30 evening service.

Sunday school convenes at 9:45 a.m., and meetings of the Junior Society, the N.Y.P.S. and the adult class are held at 6:30 p.m.

Sermon Topics For Brethren Church Are Announced

"The Cry of God's People" is the sermon topic chosen by the Rev. Alvin C. Burkholder, pastor, for the 10:45 o'clock worship service Sunday morning at the Upland Brethren in Christ church.

In the evening at 7:30 o'clock he will bring an evangelistic message entitled "The Reward for Faithfulness." There will be special music for both services.

"The Eternal Judge" Is Sermon Topic At St. Mark's Church

Sunday services at St. Mark's Episcopal church will open with the celebration of Holy Eucharist at 8 a.m., with the rector, the Rev. Joseph A. Erickson, as the celebrant.

Family Morning Prayer and church school will follow at 9:30 o'clock. The Junior choir will sing as the offertory, "Rember All the People" (Bohemian melody). "Following in His Steps" will be the discussion topic for the adult group.

The 11 o'clock service will be Choral Eucharist and a sermon on "The Eternal Judge" by the rector. The Senior choir will sing "Antiphony of Spring" (Titcomb) as the offertory.

Mr. and Mrs. Lowell Eggers and daughteers, Carolyn and Cathy, of Santa Barbara, were guests over the Easter week end of Mrs. Eggers' parents, Mr. and Mrs. George Graham, at their home, 2423 Euclid Crescent East, San Antonio Heights.

Latter Day Saints Ask Land Use Approval On Proposed Church Site

Construction of buildings to serve the Reorganized Church of Jesus Christ of Latter Day Saints is sought on a five acre tract on Arrow highway about midway between San Antonio and Mountain avenues.

Jack Ball, treasurer for the Mormon church, has filed an application with the city planning commission for approval in using this site.

The matter will be presented at the April 28 meeting of the commission. Mr. Ball, who resides at 1496 N. Euclid Ave., said church members are now meeting in the Upland Masonic hall Sunday mornings. Twenty eight names are now on the roll with Clyde Graham, the pastor.

A chapel seating 200 is planned in the new church with provisions for Sunday school class rooms and recreation facilities.

The property is being purchased from a San Diego resident. The site, on the north side of Arrow is a former citrus grove and it has been cleared of trees for sometime.

Leader For Sober America To Speak Here On Sunday

Speaker in the Upland Methodist church Sunday night will be Miss Ethel. Hubler, nationally known leader and editor, who has become famous for her aggressive campaign against the alcohol problem.

She has gained a national reputation in her crusade for a sober America and many people are expected to hear her Sunday. Dr. Ralph W. Lee, minister of the church, has appealed for the attendance of all persons vitally interested in supporting her cause.

Read and use the classifieds.

'Love God?' Is Sermon Topic For Presbyterians

The Rev. Trusten A. Hart, pastor, will preach at the 11 o'clock worship service Sunday morning at the First Presbyterian church, and will have for his sermon topic, "Love God?".

The Westminster Fellowship groups will meet at 6:30 p.m., and there will be no evening service.

Bethany Union To Hear Rev. Meyers

The Rev. Victor Meyers of Ontario will be the supply minister at the Bethany Union church, San Antonio heights, at the 11 a.m. and 7:30 p.m. services. He is a former minister of the Brethren church in La Verne. Rev. Meyers will appear in a solo at the morning service. Mrs. Myers will teach at the 9:45 a.m. Sunday school.

Christian Science Topic Announced

"Doctrine of Atonement" is the topic for the lesson-sermon to be read during the 11 o'clock service Sunday morning at the Ontario Christian Science church.

The golden text from Mark reads: "The Son of Man came not to be ministered unto, but to minister, and to give his life a ransom for many."

Miss Elizabeth Murphy, first grade teacher in the Upland Elementary school, was among those in attendance at the meeting of the California Teachers association, held in Asilomar on April 9.

First Meeting Of Baldy View P-TA Tuesday Evening

Mrs. Walter E. Stewart, president, has announced that the first regular meeting of the newly organized Baldy View Parent-Teacher Association will be held at the school on West Eleventh street on Tuesday evening at 7:30 o'clock.

Den 6 of Cub Scout Pack 1, under the leadership of Cubmaster Robert Brown and Harry Mattos, assistant cubmaster, will lead the group in the pledge of allegiance.

For the program, the children of the fourth grade will give choral selections and rhythm band numbers, under the direction of Calvin Rainey, music director.

Mrs. Ray Brewer and her committee will be hostesses for the social hour which will close the evening.

Mrs. Louis Millet Is Honored By Birthday Club

A gift, cards and a birthday cake were presented to Mrs. Louis Millet at the monthly meeting of the Friendly 12 Birthday club Tuesday evening at the home of Mrs. Jack Roper, 835 North Fifth avenue.

After enjoying a potluck dinner, the members played several games. Prizes were awarded to Mrs. Lloyd H. Smart and Mrs. Ralph May.

Present were the Mesdames Millet, Smart, May, William Batchelor, Albert Hardwick, James Severin, James Keltner, David Alexander, Charles Gardner, Horace R. Smart and the hostess.

Benjamin Franklin originated daylight-saving time in Paris in 1740.

Two Couples Are Congratulated At Open House At T. L. Johnson Home

Dr. and Mrs. C. I. Trimble are leaving today for their home in Tulsa, Okla., after visiting for eight days with their son-in-law and daughter, Mr. and Mrs. T. L. Johnson, at their home, 2468 San Antonio Crescent East, San Antonio Heights.

Monday was an important day for both couples. Dr. and Mrs. Trimble observed their 61st wedding anniversary, and Mr. and Mrs. Johnson, their 39th anniversary.

To celebrate the double event, open house was held all day at the Johnson home, and many friends called to congratulate both couples.

Completing the day, a family dinner was held at the Johnson home. Others present were Mr and Mrs. William Preece and three children, Mr. and Mrs. R B. Anson and son, and Mrs. E. A. Preece, all of Ontario; also Dr. and Mrs. T. L. Johnson an children, Craig and Janette, of Upland.

The Trimbles were Upland residents years ago when their daughter was a little girl, and their home was at Euclid avenue and Eighteenth street. Dr. Trimble is a dentist and is still practicing in Tulsa. They visited her during the Christmas holidays and make about four trips a yea to California.

Hospital Group To Elect New Officers

Election of officers for the coming year will be a feature of the monthly meeting of the Women's Auxiliary of San Antonio Community hospital to be held Monday afternoon at 3 o'clock in the solarium of the hospital. Mrs. L. Cletus Gallagher, president, will preside.

To better acquaint the group with the tremendous amount of planning, executing and administering which is essential for modern hospitalization, Alfred Muller, administrative intern at the hospital, will speak on "Your Hospital — A Tradition of Service."

Hill-Gillespie Engagement Told

Mrs. Grace Brady, 829 West G street, Ontario, has announced the engagement of her daughter, Dorotha Hill, to Wayland (Buddy) Gillespie, Jr., son of Mr. and Mrs. Wayland Gillespie, 113 North First avenue, Upland.

A late July wedding is being planned by the young couple.

The bride-elect will be graduated from Chaffey high school in June. She is employed part-time at Vince's.

Her fiance was graduated from Chaffey high school and attended Chaffey College. He is planning to return to the college in September to study mechanical enginering. He is associated with his father in the trucking business.

Cucamonga Club Luncheon Today

A talk on "Your Home Charming" illustrated with colored slides, by Mrs. William C. Hammer, director consumer relations department of the Celanese corporation will be the program for the monthly meeting of the Cucamonga-Alta Loma Woman's club today in the social hall of the Cucamonga Community church.

Mrs. Lewis Gilbert, president, will preside over the business session, highlighting which will be election of officers for the coming year.

Luncheon will be served at 12:30 o'clock. Hostesses are the Mesdames C. S. Beekman, chairman, James Whitson, Arthur Allen, Ray Lawyer, John Swoap and Carl Masingale.

Rexall One Cent Sale
Rubbing alcohol, reg. 69c; for 70c. Mi31 Antiseptic, reg. 79c; 2 for 80c. Harris Pharmacy, Second avenue at Ninth street, Upland (adv.)

Club Notices

Mrs. Harold Webster will entertain members of the Maratha Guild of the First Presbyterian church at their monthly social meeting Tuesday evening at 7:45 o'clock at her home, 45 West Eighth street.

UPLAND BPWC
Officers for the coming year will be elected during the dinner meeting of the Upland Business and Professional Women's club this evening in the Upland Woman's club house. Miss Lois Brown, president, will preside. Dinner will be served at 6:45 o'clock. Speaker for the evening will be Mrs. Ralph Buckley, women's editor for the Pomona Progress Bulletin, whose subject will be "Women Make the News". Alta Loma Folk Dancers will give exhibitions of several European folk dances.

ST. BERNADETTE'S GUILD
Mrs. Ralph Colonna, captain, has announced that St. Bernadette's Guild of St. Joseph's Catholic church will meet Monday evening at 8 o'clock at the home of Mrs. Toby Vasquez, 825 East Highland court.

METHODIST WSCS.
Mrs. Harold B. McCreight and Mrs. Eugene L. Mueller will present a program on the United Church Women of the National Council of the Churches of Christ of the U.S.A. for the monthly meeting of the Woman's Society of Christian Service of the First Methodist, opening at 11 o'clock this morning in Fellowship hall. The Miriam Circle will serve luncheon at 12:15 o'clock, and a busines session will follow.

KAPPA KAPPA GAMMA
Mrs. John Diffenbaugh will entertain members of Kappa Kappa Gamma Alumnae association at a tea this afternoon at 3 o'clock at her home, 1677 North Euclid avenue.

Mr. and Mrs. Arthur D. Jones, who live in the Baker manor subdivision ar 8434 Olive street, are receiving congratulations over the birth of a daughter, on April 3 at the Norton Air Force base hospital, San Bernardino. The little miss, weighing 10 pounds, 14½ ounces, has been named Della Mae. She has an older sister, Mary Gale. Mr. Jones is a private and is at Fort Sam Huston base in Texas.

Fiancee

Miss Faye Thomassen of Chicago, who is shown above, will be the bride of Larry DeLong of Upland in wedding ceremonies this summer. Both young people are students at Chico State college. Announcement of their engagement was made recently. The Uplander is the son of Mr. and Mrs. Clyde DeLong of San Antonio heights. He is a war veteran and enrolled at Chico last fall after serving in Korea. He is a Chaffey high school and college graduate and attended UCLA one year before entering the service.

20-30 Belles Hold Business Meeting

The 20-30 Belles met for a business session Tuesday evening at the home of Mrs. Peter Rakich, 752 Virginia avenue, Ontario.

Refreshments were served during the social hour.

Present were the Mesdames Shaw Morrison, Richard Lachman, George Ludwig, John Engle, William Summers, William Ryan, Al Arenal, Bryce Evans, Harold Griggs, Gerald Hays and the hostess.

Read and use the classifieds.

New Cucamonga P-TA Officers Are Installed

Recently elected officers of the Cucamonga Central Parent-Teacher association were installed at the meeting Tuesday afternoon at the school by Mrs. Arthur H. Allen, a past president of the Alta Loma P-T A.

Mrs. Edward Hanzlik took office as president, succeeding Mrs. Sebastiano Filpi; and others seated were Mrs. Grover Clem, vice-president; Mrs. Harold Woodrow, vice-pres.; Mrs. Frank De Ambrogio, treasurer; Mrs. Thomas Ware, parliamentarian, Mrs. Jack Hansen, auditor; and Mrs. James Carlson, historian.

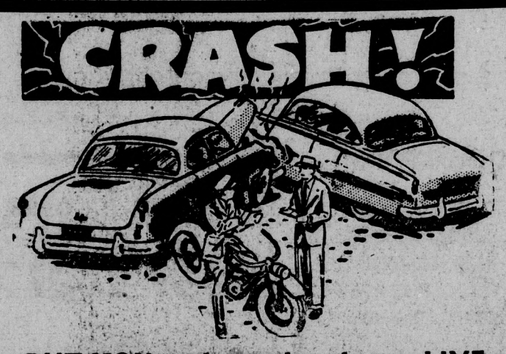

Olof Snyder, member of the Chaffey faculty and a civil defense director, addressed the group on "The Problems, Not the Answers to the Hydrogen Bomb." Third graders of Mrs. Margaret Brewer's room, sang a song.

The new president announced her committee chairmen as follows; Mrs. W. C. Clapp, publicity; Mrs. John Heacock, safety and civil defense; Mrs. Marvin Wangler, magazines; Mrs. Robert Ford, ways and means; Mrs. Miles Gregory, telephone; Mrs. Tom Moore, membership; Mrs. William Robertson, child welfare; Mrs. Merle Whitaker, cafeteria; Mrs. W. W. Young, program; Mrs. Rodney Arner, parent education and legislation;

Slate Of Officers For Woman's Club Is Headed By Mrs. O. E. Hatch, Jr.

Mrs. Orin E. Hatch, Jr. headed the slate of officers for the coming year presented by Mrs. Neal Van Dorin, chairman of the nominating committee, during the meeting of the Upland Woman's club Tuesday afternoon in the club house.

Others recommended were Mrs. Earl F. Riggs, first vice-president and membership chairman; Mrs. Jarvis J. Leman, second vice-president and program chairman; Mrs. Elmer T. Redfield, third vice-president and ways and means chairman; Mrs. James E. Goodban, fourth vice-president and house chairman; Mrs. Ralph Almquist, recording secretary; Mrs. C. G. Hennessy, corresponding secretary; Mrs. Earl Dunning, treasurer; Mrs. Harry M. Wright, auditor; and Mrs. Homer G. Glunt, parliamentarian.

Directors named were the Mrs. O. B. Thomson, Miss Lucile McDonald, Mrs. Donald Brubaker, Mrs. Leonard S. Collins, Mrs. Irwin Hartley and Mrs. Francis H. Rogers.

Election will be held at the April 26 meeting.

Members will long remember the afternoon's program, presented by Dorothy Dyce Williams, dramatist, and Lucile Gates Carr, pianist. Miss Williams gave unusual interpretations of prose and poetry covering a variety of subjects, and ending on a patriotic note. Perhaps the most humorous was a bride-groom's view of his own wedding.

Miss Carr accompanied the dramatist at the piano with semi-classical music as background. She also played a solo, Chopin's "Black Key Etude". Mrs. Bruce Claflin, program chairman, introduced the artists.

Mrs. Robert L. Jones, president, presided over the meeting. Mrs. Earl F. Riggs led in the reading of the collet, and Mrs. O. E. Hatch, Jr. led the salute to the flag. Twenty guests were introduced by Mrs. Arthur Rea.

Mrs. Jones announced the state convention to be held in Coronado May 12-15, to which she will be a delegate by reason of her office.

Elected delegates to represent the club at the convention were the Mesdames Effie Hood, Elmer Redfield, Earl F. Riggs, Blanche Olmstead, Elmer Mathews, O. E. Hatch, Jr. and Bruce Claflin.

Alternates named were the Mesdames John Laird, Ralph Almquist, C. P. Jacobs, Robert L. Reed, Floyd Stickney; and Miss Julia Rugg.

Mrs. Claflin announced that a spring floral exhibit by the club members is being planned for the May 10 luncheon meeting, with awards for winners in each classification, dried, fresh and blooming plants. Mrs. Walter D. Hewitt will be chairman.

Luncheon was served at 12:30 o'clock by the April committee under the direction of Miss Julia Rugg and Mrs. John Laird, co-chairmen. Assisting were the Mesdames Ernest H. Gibson, Allen T. Mitchell, Harold L. Rowe, Walter Schroer, Russell H. Schulze, Harvey Wood, Doris Gray and Olof Snyder.

The tables were beautifully decorated with large bouquets of spring blossoms by the Mesdames Laird, B. L. Mackall and Mildred Alison. On the stage was a huge arrangement of yellow iris and pink tulips and a bouquet of spring flowers decorated the foyer. Both were the work of Mrs. Walter D. Hewitt.

Receiving members and guests at the door were the Mesdames Blanche M. Loch, Isabelle Wisely and Wilford L. Carver. Mrs. Arthur Rea had charge of the guest book.

Trip Abroad Is Planned By Uplander And Her Two Sisters

For many years three sisters dreamed a dream, and now that dream is coming true for all of them.

Mrs. William J. Larkin, 920 North Third place, is one of the sisters. When she was a girl of 17 she left her native Birmingham, England, and came to America, and she has never been back.

And this has been the dream of all the sisters. On Monday, Mrs. Larkin will leave by train for London, Ontario, Canada. There she will spend about a week with her two sisters, Mrs. E. N. Hooper and Mrs. J. L. Smith, and will also visit friends.

Then the three sisters will motor to Montreal, from which port they will sail for England on April 30 on the "Saxonia".

They will spend some time visiting relatives in Birmingham and other parts of England, and then will come to London, and from there leave on a tour which will take them through France, Switzerland and Italy.

The three are planning to return to Canada early in July, but before returning to Upland, Mrs. Larkin will spend some time visiting in Canada, and then in Detroit, Mich.

Her home will be occupied during her absence.

Talks On Panama Are Program For Legion Auxiliary

Col. and Mrs. D. J. Rutherford provided an interesting program for the monthly meeting of the Upland Unit of the American Legion Auxiliary, telling of their life in the Panama Canal zone where the Colonel was stationed for three years. He told about the country, while Mrs. Rutherford discussed their daily living and their customs.

Mrs. L. E. Griffith, program chairman, introduced the speakers. Music was provided by Raymond Gomez, who sang "Are You a Good Neighbor?" and "The Desert Song", accompanied at the piano by Mrs. Robert Henderson.

The president, Mrs. Houston Dewey, presided over the meeting which was held in the Legion club house.

It was announced that on April 14 the unit will be hostess with five other units at a party for the veterans in Patton State hospital.

A social hour concluded the evening, and refreshments were served by Mrs. Griffith, assisted by Mrs. Mary McGannon.

New Member Is Welcomed By Upland Sirens

Mrs. Donald Georges was welcomed as a new member of the Upland Sirens at their meeting Wednesday evening at the home of Mrs. Vern Colvin, 430 East Arrow highway. Mrs. Georges' husband recently joined the Upland police force.

Card games entertained the the group, and each member received a small gift. Prizes for high and low scores went to Mrs. Waldo Owen and Mrs. Thomas C. Davis.

Decorations and refreshments were carried out in an Easter motif. Mrs. Richard Carr assisted Mrs. Colvin as co-hostess.

Others present were the Mesdames Ted Atwood, Joseph Blouin, Cecil Derr, Harland Jackson, Leon Lamphear, John McCarthy, Ralph H. Palmer, Howard C. Paulin and Al Tartaglia.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Upland will hold a public hearing on Thursday, April 28, 1955, at 7:30 p.m., in the Council Chambers of the Upland City Hall, to consider a request for a Conditional Use Permit for Grammar Day School at 620-636 North Euclid Avenue in the R-3 (Residential - Multiple Family) zone:

Lots 12, 13, 14, Block 8, Town of Magnolia.

More generally described as the three lots located at the northeast corner of North Euclid Avenue and F Street.

About People

Mrs. G. M. Ricci and her sons, John and Bill, are among the families in the new residential block recently developed on Olive street. Their address is 1008 East Olive.

Mrs. Jessie Brown, 2348 Park boulevard, was dismissed Friday from San Antonio hospital where she received medical care.

Sarah Ann Campbell, five-year-old daughter of Mr. and Mrs. Richard Campbell, 1711 West Eleventh street, is home from San Antonio hospital after a tonsillectomy.

McGarry's Toast-O-Nuts, 1 lb. for 57c at Harris Pharmacy. (adv.)

Mrs. Ernest L. Johnson, 914 North First avenue, was dismissed Sunday from San Antonio hospital, where she underwent major surgery.

John C. Gross, five-year-old son of Mr. and Mrs. Clyde Gross, 324 Winn drive, is home from San Antonio hospital after a tonsillectomy.

Rexall One Cent Sale

Soaps with Lanolin, 3 fragrances, reg. $1.39, 2 for $1.40 at Harris pharmacy, Second avenue at Ninth street. (adv.)

Mr. and Mrs. T. Logan Locke enjoyed a week's visit at their home, 314 South Euclid avenue, from their cousins, Mr. and Mrs. R. G. Johnston of Huntington, Ind., who left Monday to be guests of other relatives in Whittier. They will also visit in other southland places.

Moving from Alta Loma to 137 East Seventh street, are Mr. and Mrs. E. R. Cornett. They formerly occupied the residence at 9668 Baseline. Mr. Cornett is a foundry employe.

Guests on Easter Sunday of Mr. and Mrs. Francis H. Rogers, at their home, 565 North Laurel avenue, were their two daughters and sons-in-law, Mr. and Mrs. Wesley Davison and daughters, Pamela and Susan, of Duarte; and Mr. and Mrs. John Engle and children, Kathy and Randy, of Upland. An Easter egg hunt was the highlight of the afternoon.

Pamela Miller, daughter of Mr. and Mrs. Gordon Miller of Long Beach, spent the spring vacation with her grandparents, Mr. and Mrs. Earl J. Head, at their home, 585 North Eighth avenue. They took her home Saturday and were Easter guests of their son-in-law and daughter.

Reall theatrical cold or cleansing creams 2 for $1.26 at Harris Pharmacy. (adv.)

Mr. and Mrs. J. R. Weiland have returned to Upland, having resided in Phoenix for several years. She is the daughter of Mrs. Vivian Naisbitt, Palm avenue, and he is the son of Mr. and Mrs. P. J. Weiland, San Antonio heights.

Mrs. Frank McMakin and daughters, Clara Lou and Frankie, West Foothill boulevard, spent the Easter vacation week visiting relatives and friends in Bakersfield and Fresno.

Mr. and Mrs. Ralph Stanfield, 1038 East Highland court, have purchased the recently constructed residence and have returned to live here. They formerly lived on West Seventeenth street. He is employed by Lockheed at the Ontario airport. They are the parents of a six year old son, Loren.

Close out on large size lipsticks, standard brands, 2 for $1.01 at Harris pharmacy during big one-cent sale. Second avenue at Ninth street. (adv.)

John Koman, four years old, and Terrell A. Koman, seven, sons of Mr. and Mrs. Frank Koman, 854 North Tenth avenue, returned home Sunday from San Antonio hospital after tonsillectomies.

Mr. and Mrs. Merrill Z. Conn, 746 North Laurel avenue, enjoyed a four-day vacation trip last week, motoring up the coast to San Francisco and stopping at points of interest. They returned by the inland route. They were accompanied by Mrs. Conn's mother, who resides with them.

Cara Nome Dusting powder, reg. $1.50; 2 for $1.51 at Rexall one cent sale, Harris Pharmacy. (adv.)

Meat "sticks to the ribs" because it digests slowly, though completely, and delays the onset of hunger contractions, according to the Encyclopedia Britannica.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Upland will hold a public hearing on Thursday, April 28, 1955, at 7:30 P.M., in the Countil Chambers of the Upland City Hall to consider a request for zone change from A-1 (Agricultural) to R-1B (Residential - Single Family, 10,000):

W521 ft., Lot 428, Ontario Colony Lands (Approximately)

More generally described as that portion not previously zoned R-1B (Residential - Single Family, 10,000) of the second 10-acre lot west of Euclid Avenue on the south side of West 16th Street.

Lillian Schubert, Secretary
Upland Planning Commission

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Upland will hold a public hearing on Thursday, April 28, 1955, at 7:30 P.M., in the Council Chambers of the Upland City Hall, to consider a request for a conditional use permit to establish a church in the R-1C (Residential - Single Family, 7500) zone:

Lot 11, Block 4, Map of Mountain View Addition.

More generally known as a 5-acre parcel on the north side of West Arrow Highway approximately midway between San Antonio and Mountain Avenues.

Lillian Schubert, Secretary
Upland Planning Commission

Observance To Mark Completion Of C Street

(Continued from Page 1)

next projects in the improvement and soon after that the work will be completed. Carl M. Buck, who purchased the property from the city for a new business block, is making the street extension as part of his purchase price.

President Paul Hottel, who presided at the directors' meeting named two others to work with him in planning the "C Street Celebration." Named were Basil Harris and Vernon V. Paine.

Completion of the thoroughfare will provide a new connection to the business district and Euclid avenue from Twelfth avenue. Washington boulevard begins at Twelfth and will connect with C street at Campus avenue.

Present at the meeting besides Mr. Hottel were Ralph H. Miller, W. R. Crampton, Basil Harris, John B. Atwood, Ray Davis, Earl E. Hawthorne and J. H. Siegrist.

Safety Belts Now In Upland

Safety belts are on sale today in Upland.

Mike Siran, proprietor of the service station at Second avenue and C street, has announced addition of the safety belts to his regular stock. The Upland News has frequently suggested addition of these items for local purchases. Safety belts have been available elsewhere but Mr. Siran is the first Upland merchant to advertise the belts here.

Chaffey $88 Gift Brings Red Cross Total To $7,461

A check for 888 was sent to the Upland Red Cross chapter by Chaffey distraict staffs and Chaffey high school and college students out of $749 in total Chaffey donations.

With this check the Red Cross fund drive in Upland had netted $7,461.67 yesterday. Quota for this year is $12,280.

Other Chaffey donations included $40 for Cucamonga-Alta Loma and $4.50 for Etiwanda.

Each Chaffey donor credited his contribution to the town of his residence or choice.

Lamont Grove Purchased By Wm. Dunkerley

Sale of the James W. Lamont large residence and 10-acre grove at 1891 North Euclid avenue was announced yesterday.

Buyers of the residence, with its one acre of citrus, are Mr. and Mrs. William Dunkerley, Jr., now of Ontario and formerly of Palm Springs. Logan and Schneider, real estate investors, purchased the nine acre grove.

The transactions were handled by Lloyd Butler, local realtor.

Death of Mr. Lamont occured earlier this month but negotiations for sale of the property were under way prior to then. Mrs. Lamont said she plans to continue residence in Upland.

Mr. Dunkerey is the son of the former long-time manager of the Pasadena Tournament of Roses association and the Pasadena chamber of commerce. He has also been affiliated with chambers of commerce for many years.

Mr. Dunkerley manufactures Christian toys, used widely in Sunday schools and in many homes. The product is made in Los Angeles. Mrs. Dunkerley is the sister of Mrs. George Van Tuberger of Ontario.

In other transactions Mr. and Mrs. Stanley Gillette purchased the residence at 607 Olive street. The sellers were Mr. and Mrs. Walter S. Alf, Jr. The Gillettes formerly resided on Euclid place. Mr. and Mrs. Alf and children have moved to 616 Raymond street.

Mr. and Mrs. Marvin Decker and children moved Tuesday into the residence at 753 West Arrow highway, which they purchased from Mr. and Mrs. Thomas Simmons. Mr. and Mrs. Simmons are now renting a place. The Deckers formerly resided at 385 North Sixth avenue.

Light Switches On Table Lamps Are Unnecessary Now

Light switches are no longer needed on table lamps.

At least, a demonstration in the window of the Upland Furniture Co. proves that statement. People are invited to touch the foil attached to the window. As one does so, a light goes on. Another push and the light goes off.

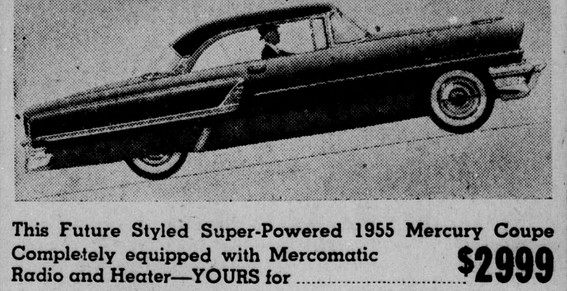

Paul G. Hottel, proprietor, explained that a new development on lights makes unnecessary switches.

Benefit Party Sponsored By Episcopal Group

Saturday at 12:30 o'clock is the time set for the annual spring benefit card party sponsored by St. Clare's Auxiliary of St. Mark's Episcopal church and to be held in the Upland Woman's club house. It will feature the unusual salad bar planned by Mrs. Fredrick Bissell and Mrs. Floyd L. Plasman and their committee.

Mrs. Alan E. Swinler is general chairman for the event. Mrs. William C. Jones heads the committee in charge of decorations, and Mrs. Charles W. Hawthorne and her committee will have a candy booth.

Reservations may be made with Mrs. C. F. Benninghoff - 32-7453.

Sharps and Flats

By Chuck Barlow

A record of inquiries at the Upland Chamber of Commerce office for two months, by telephone, personal visit and letter, numbered nearly 1,000, with about a third originating south of the freeway.

Mrs. Lillian Hilde, executive secretary of the chamber, is a bit amazed at times concerning the variety of questions facing her. She recently went to considerable trouble to find out where desert wild flowers were blooming so an Ontario woman might show them to eastern guests.

Recently an author, Clint D. Forhan, wrote for help in locating a former Air Force fighter pilot, Roy Lee King. Mr. King was to be one of the principals in a nonfiction book being written by Mr. Forhan concerning an aviation cadet class with which Mr. King graduated.

The California Toy Fox Terrier Assoc. show chairman, Mrs. Odell Faubus, Torrance, asked Mrs. Hilde for the names of motels where dogs would be acceptable. The association is having a show in Memorial park May 15.

A steel company wanted to know the names of industrial and commercial plants in the area and a Minneapolis man wanted a list of all firms in the city that might be on the market for the services of a male secretary.

A trucking company, specializing in moving households, asked for complete information about the city for families contemplating a move.

During the two months, when a record was kept of all inquiries, the office received 378 telephone calls, 461 office calls, and 390 pieces of mail.

Information requested during this period touched on Yosemite National park, Griffith Park observatory, location of the Republican and Democratic party headquarters in Upland, and the location of the Upland chapter of the Red Cross.

A dentist from Minnesota wanted to know facts concerning Upland, and a woman called to learn whether babies born on New Year's day would receive gifts from merchants.

A man wanted to know what identification was necessary upon entering Canada, and another man wanted the location of the International Union of Operating Engineers.

Hundreds of queries come in during the year about procedure necessary when getting operating permits and requests are daily for city, county and area maps. Mrs. Hilde distributed 500 maps during the two-months period, and 521 pieces of other literature concerning Upland.

She made detailed studies to provide information, this comes under the head of research, in 23 cases and placed 381 telephone calls during the two-months time.

She supplied lists of manufacturing concerns and Upland clubs, as well as giving information daily concerning rentals and employment possibilities. One woman wanted to know about the Carlsbad State park and another about Sun Valley, Idaho. She also had to dig out facts about Marine Land and Point Vincente.

Prospective residents want to know facts about the school located in the area where they plan to move, and what day garbage is picked up, while others want to know which school their children will attend if they move to a certain location.

Mrs. Hilde acts as consultant when business men are considering a move to Upland. She furnishes a full list of competitive business for study by the businessman making the query, as well as a population breakdown of the community to show volume possibilities.

"I often have to discourage certain types of businesses from coming to the city because of the competitive condition that would follow," she said.

The current uranium fever has permeated the chamber office with two callers wanting to know the closest assay office. One man clutching a small boulder was sure he had a strike nearby although he was mum on its location.

Many inquiries come from out-of-state visitors wanting to know locations of points of interest in this community, while one company making a survey of Upland had a representative in the chamber office for an entire day.

Utility rates seem to be of great interest and many tele phone calls from prospective residents ask for details concerning rates and location of company office both in Upland and Ontario.

At present Mrs. Hilde is on the prowl to locate a mushroom farm.

"Do you know anybody raising mushrooms in this area," she asked me the other day.

I shook my head. "The fact is," I answered, "I don't even know anybody with a basement or cellar. Mushrooms have to be raised in a dark, dank, place."

"This I know," she answered. "But who is raising them? I've had several calls recently from people wanting to know where home grown mushrooms might be bought. I can't get a single lead."

Mushroom producers are advised to contact the Upland Chamber of Commerce.

The U.S. marriage rate in 1954 was 9.1 per 1,000 people.

20-30 Club Plans Intensive Drive In May to Aid Rheumatic Fever Fund

May has been designated as Rheumatic Fever Month among 20-30 clubs in California, the first time a definite period has been set for an activity that has previously been backed by 20-30 clubs throughout the year, members learned at a recent meeting.

Clubs in Southern California have been urged to hold fund-raising projects with proceeds allocated to the 20-30 International Rheumatic Fever Foundation.

Upland club members, in the past have made an annual donation of voluntary contributions of coins deposited in a gallon can during the year. At present the coins, and currency in the can weigh eight pounds.

The annual donation followed installation of new officers in May. The new officers would open the can, count the money and forward the sum as the club contribution to the rheumatic fever fund.

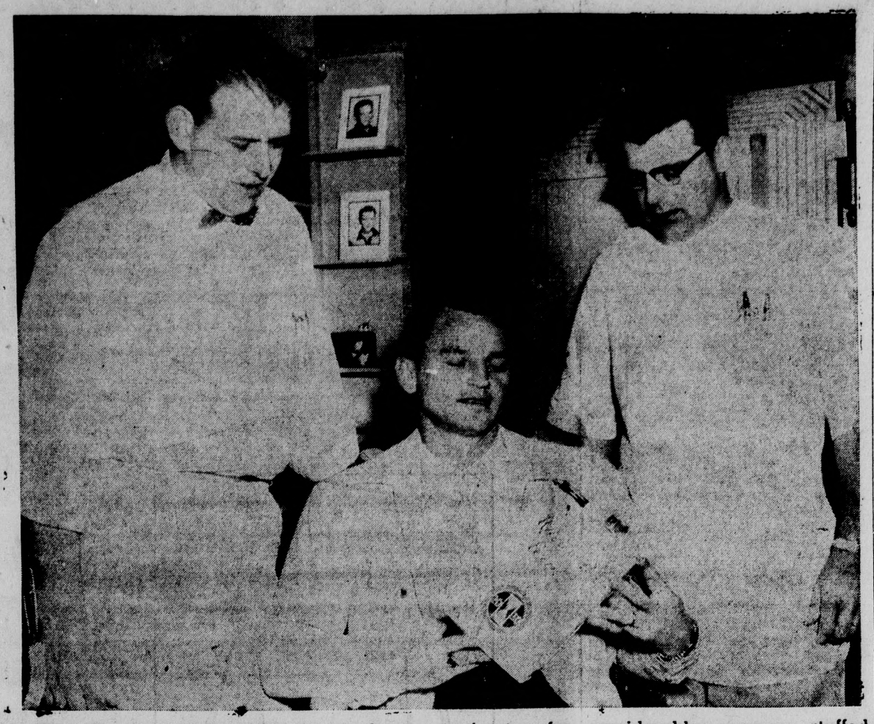

Such contributions p r ovide funds for the study and prevention of rheumatic fever, recognized as the greatest killer of children between the ages of five and 12. The foundation has awarded three fellowships to doctors in recognized medical research centers throughout the United States for seven years.

The University of California Medical Center in San Francisco and the Children's Hospital Society of Los Angeles are two of four new fellowships awarded this year.

During the recent meeting the first nomination for officers, prior to an election in May was held.

John Engle was the nominee for presidents with Al Arnel, first vice president; Al Pyaceck, second vice president; Bill Ryan, secretary; Dick Lockman, treasurer and Dick Grable, Harold Griggs and Bud Strom named for board of director posts.

Nominations will remain open for three weeks.

Three members of the 20-30 club ponder as to the exact amount of coins represented by eight pounds of weight in the gallon can held by Ray Davis, center. Harold Griggs, left, and Bud Shrum, right, both nominees for the club board of directors, made allowance in their estimates for considerable currency stuffed into the can. The can will be opened in May when new officers are installed and the money forwarded to the 20-30 International Rheumatic Fever Foundation. The eight pounds of money represents voluntary contributions by club members to the rheumatic fever fund.

School District To Build Fence

The Upland Elementary School District board of trustees notified the city council that the school district will erect a chain link fence between the northerly boundary of the Sierra Vista school and a new subdivision proposed by Howard D. Bowles, Upland realtor.

The council directed a letter to the engineering department waiving the usual performance bond for installation of a fence which has been stipulated in subdivision requirements.

Previous action by the council required installation of the fence.

The subdivision proposed by Mr. Bowles will extend from Sierra Vista school land northerly to 15th St. and will also face west on Second Ave.

Home Builder Agrees To Install Water Line On Recovery Basis

The council agreed last night to bring a water line east across Euclid Ave. at 16th St. to enable John J. Glane to run a privately owned six-inch line to a residence he is constructing on the northwest corner of the second 10 acres east of Euclid Ave.

The council authorized City Attorney Henry Busch to draw up a contract with Mr. Glane which will enable him to make recovery of the cost from future home builders who desire to hook onto the water line.

Pie fillings will be thicker when cooked over direct heat than when a double-boiler is used.

Chief Palmer To Auction Excess Rolling Stock

Police Chief Ralph Palmer has announced an auction sale to dispose of accumulated rolling stock which has become the source of congestion at the police station.

This auction will be at 10:30 a. m. Saturday, April 23, at the rear of the police station.

Six bikes and one tricycle will be placed on the block and sold to the highest bidders. The bikes have been turned in to the police station after being abandoned near Upland homes. Some of them have been stored more than a year.

The bikes are described as:

A girl's Firestone de luxe cruiser bike with red and white trim bearing no serial number.

A maroon boy's bike, 24-inch frame with cream trim and basket in front. Serial is 1012194.

A Pengo girl's bike with 16-inch frame, red with white trim, bearing no serial number.

Boy's Schwinn bike, 26-inch frame, maroon with white trim and bearing serial number, JP-2 149571.

A Hiawatha boy's 26-inch bike, black with red train. This bike has chain guard and serial number 10211 LA. CO.

A second Schwinn bike will be auctioned, boy's model with 26-inch frame. The bike is finished in gold with serial Ho56723.

Also to go on the block will be a small tricycle painted red with white trim.

Read and use the classifieds.

New York state has a town named Alabama.

Student Loans To Be New Feature At Local College

Establishment of a student loan fund for deserving Upland college students has been scheduled as the result of action by the college's board of trustees. When money is needed by capable students to aid them in finishing their course, it will be possible to draw on the fund, according to plans announced by Vern Zook, chairman of the board. When students, who benefit from the fund, reach productive years they will be obligated to pay back borrowed money with interest.

This fund marks a new era in the life of the institution by enabling students to continue their scholastic career and at the same time to keep the institution's operating budget solvent.

Many other schools have student loan plans and the project here is being hailed as a boon to the future of the institution.

Rather than for members of the college board to meet monthly, plans have been made for committees to meet once a month and board members every quarter.

Chairman of committees include Eldon Bert, finance; J. W. Bert, building and grounds; Dr. A. James Alderfer, staff and Mr. Zook, executive committee.

Other board members at the recent meeting were Woodrow Wiles, Price Trautwein, Lawrence Groff, Glen Franklin, John Book, Millard Heer, Maynard Book, Harold Musser, C. W. Boyer of Dayton, Ohio and Ira Eyster of Thomas, Okla.

Savings and Loan Application From Local Group Is Getting Support

Will Upland have a savings and loan association of its own or will this community be served by a branch of the Pomona First Federal Savings and Loan association?

Answer to this question, of course, is of greatest concern to the people directly interested in the financial institutions. Everyone in the Upland district, however, will at least be indirectly affected by the answer, which may come on or soon after April 28.

The Home Loan Bank board has called a public hearing in Washington, D.C. on that date to study the application of the Pomona organization for the right to establish a branch in Upland. Only one savings and loan association will be permitted here for the time being. And so it is either the new Upland association or a branch of the Pomona association.

We are in no position to judge merits of the two applications. Naturally, we feel very, very strongly for all localized institutions and localized efforts. As we understand it, the basic concept of these institutions is for an association to receive money from local people for use in financing home construction in the local community.

If there is any advantage for a "local" community to have a "big outsider", handle its finances, then the decision should be in favor of Pomona's application. If, on the other hand, the community can be served better by an independent local association, the final judgment should favor the new Upland associaton.

Ten years from now, which will have been the best for the community—a branch of an "outside" association or one largely financed by people, whose principal interests are right here in the community?

We believe efforts in forming a local association should be heartily endorsed. Upland city council took the lead in urging the federal agency to approve the application for the Upland group. Many local firms and individuals are also joining in the expression to help support the application of the local group of Upland's "own" savings and loan association.

On the other hand, Paul Walker, president of the Pomona group is highly regarded and E. L. Wickstrom of Upland, a vice president, is widely known in the community.

About a month ago three groups were applying for a state savings and loan charter in Upland. On March 8, the California Savings and Loan commissioner ruled in favor of the so-called Upland Savings and Loan association. Head of this group is Andrew Crevolin, who is a former resident of this area and who is a former Chaffey high school student. He "made good" financially in the Los Angeles metropolitan area and is returning to this area to establish business interests. He recently purchased the Bank of America building here at Second avenue and Ninth street, which will be the "home" of the new local association, if it is approved in Washington.

Why all this sudden interest for new financial institutions in the Upland district? The answer lies in the fact that observers know this area will become the center of thousands of new residents.

Admittedly, great changes are ahead.

Refreshing Comments Follow Criticism of President's Religion

It has been refreshing to follow the comments of many people since Senator Neely of West Virginia so rudely criticized President Eisenhower's habit of regularly attending church.

Refreshing, we say, because many natural political foes of the president have come to his defense. The fact that President Eisenhower is a regular church attendant and opens cabinet meetings with a prayer has been an inspiration to the people of the country. The right to worship God as one chooses is one of our most cherished freedoms.

Senator Allot of Colorado, stated a feeling that is undoubtedly widely held when he said: "Any man who is president of the United States and by his example of church attendance calls the attention of the people to the need of devotions is doing a lot more for his country than a man who can find nothing better to criticize."

Irresponsible mouthings do no credit to any party, whether it be Republican or Democrat. We hope this is not an example of what we may expect between now and the 1956 election.

Isn't It A Sad Situation With So Many Big Problems In U.S,

Let's join the chorus of those who are singing gloomily about the problems of the United States.

Let's admit it. We've got problems no other nation has. For instance:

No other country in the world has any problems caused by a surplus of food.

No other nation has such traffic congestion because so many people own automobiles.

In no other country do people take so much leisure time in which to spend the money which they earn; more money than wage earners get in any other country.

And no other country has as one of its chief medical problems the fact that so many people are overweight because of the abundance they enjoy.

It's a sad situation, mates.

Costly Red Tape Should Be Cut

Savings here and there can trim most budgets and that applies to federal expenditures.

The Hoover commission recently estimated that paper work of the government was costing the taxpayers of the country four billion dollars annually. This is about equal to the entire federal budget not many years ago. It means that federal paperwork is costing the average American family of four about $100 in taxes a year.

The most discouraging part of the Hoover commission recommendation was its finding that the government has made little progress in reducing the paper work load of departments and agencies in recent years. It said that executives were so burdened with red tape and paper work required that this process often interferred with their big responsibilities and duties.

A paper work management program should be enacted as recommended and all agencies ordered to follow it. The Hoover report emphasized that too much paper work is a big liability for efficiency.

There should be no delay in streamlining the federal red tape.

THIS LIFE WE LIVE

by James V. Latimer

Easter Any Day

For several years I have watched an old peach tree standing on a lot next to mine, wishing I might be of help. There are two but we shall call them one. The owner did not care much for them, never irrigated, pruned or trained them. They needed fertilizer also. Grass and weeds grew around them. When the neighbors back of this lot burned their grass, his burned also. The bark was scorched and some of the lower limbs burned. I was sorry, for the tree was doing its very best to become useful.

When the lot was sold a few years ago for the building of a home I was glad for those trees. I felt sure the new owner would give them some attention and that their labor would be rewarded. He also seemed uninterested. They remained shaggy, burned, dried out, neglected. I have seen neglected men like them.

The opportunity came a couple of years ago when the owner needed to sell. We bought the place. Then I began to work on those peach trees. Of course I plante dothers, young and promising, to be ready for bearing when these two old ones finally passed out. These new trees are just living in expectation of the time when they will be needed, like young men waiting the time for them to become the head of the firm. I looked after those old trees a bit, trimmed out some of the mottled top, sawed off a limb or two, healed a burn and irrigated. A few blossoms appeared the first spring, and a few late peaches in October.

If you could see those old trees in April you would rejoice for they are filled with blossoms, are well rounded out toward the sun, and filled with promise. Of course a late frost may come or a bitter wind—yet the promise is there today. There is new life in them.

I have seen old men like that. A little attention, a bit of thought and care, a kindly deed, and new life appears. To me all this is what Easter means. For ages men had discussed the matter of life after death, and no fixed conclusion was reached. The division remained even when the Christ was on earth. We have longed for something better, for we have carried these old bodies around for years. Some are crooked, some badly scared, and some just dried out. The promise of Easter is that all these shall be made anew. In the glad eternity there will be no more illness, no more death, scars and crookedness. That will be the spiritual body. If not, then I shall join the apostle Paul and say that I too have believed in vain and have preached in vain. I take hope from that old peach tree next door.

Traffic Accident Per Capita Cost Figured At $26

California traffic accident costs last year equaled a loss of $26.50 for every man, woman and child in the state, the California Highway Patrol has announced.

Based on a National Safety council formula which computes costs of all fatal, injury, and property damage accidents at the rate of $110,00.00 loss per traffic death, the total dollar loss for 1954 came to $341,440,000.00.

Patrol Commissioner B. R. Caldwell explained that the staggering economic loss was suffered as a result of grisly traffic toll including 3,104 dead and 108,265 injured in 180,186 traffic accidents.

He emphasized, as another phase of the entire traffic accident picture, the fact that more than 9,000 of the injured have suffered permanent disabilities.

Mr. Caldwell pointed out that despite the tragic toll, the 1954 traffic accident record reflected considerable improvement over 1953. Traffic deaths throughout the state showed a drop of 267, and 207 of these lives were saved in unincorporated areas where the CHP concentrates its enforcement.

"Last year the cost to each Californian for the entire CHP operation was $1.24, while traffic accident costs, if equally distributed, would have cost $26.50 per obviously a sound investment," capita. Efficient enforcement is he said.

Time Passes

25 Years Ago

Mrs. Harold J. Stickney was elected president of the Tenth Street P-T A. to succeed Mrs. E. C. Mehl. Other new officers were Mrs. Ella Kouts, vice-president; Mrs. J. A. Betz, secretary; and Mrs. Hjalmar Anderson, treasurer.

* * *

Mr. and Mrs. William Morley who had spent the winter with his sister, Miss Flora Morley returned to their home in Avoca, Neb.

* * *

Mr. and Mrs. Norman S. Lawson and daughter left for New York City, from which port they were to sail for Glasgow, Scotland. They planned to remain abroad for several months.

* * *

Mr. and Mrs. Royal V. Ward returned from a 10-day motor trip to northern California, traveling up the coast and returning by the inland route.

15 Years Ago

Eugene Nisbet and Godfrey Andreas were elected city councilmen in the municipal elections here. J. Lynward Grahame was the new city clerk, and Owen E. Atwood was re-elected city treasurer.

* * *

Miss Evelyn Towne, daughter of Mr. and Mrs. George W. Towne of Pomona, and Dean Howard Engle, son of Mr. and Mrs. H. E. Engle, exchanged wedding vows in the First Baptist church of Pomona on April 6.

* * *

A son was born to Mr. and Mrs. Virgil Holden on April 11 at St. Joseph hospital in Orange. The proud father telephoned the news to his parents, Mr. and Mrs. V. Wade Holden.

* * *

Making up a successful fishing party to Lake Henshaw were Harry Cooley, Ralph Wilson, Jay Baird and "Doc" Bowman.

* * *

Dr. Ralph D. Ryan was elected president of the Upland Rotary club to succeed Owen E. Atwood. Chosen to serve with the new president on the board of directors were Dr. A. A. Aita, Paul Hottel, E. Tweed Stone and H. M. Guy.

CLUB NOTICES

REBEKAH CIRCLE

Members of Rebekah Circle of Silver Link Rebekah lodge will hold their monthly meeting Friday evening at the home of Mrs. Everett Robinson, 1940 North Benson avenue, according to announcement by the president, Mrs. W. M. Cate.

MARY BRAINARD TENT, DUV.

Mrs. Ida Stevens, president, has announced that the monthly meeting of Mary Brainard Tent, Daughters of Union Veterans, will be held this evening at 8 o'clock in Memorial hall, Intario.

PRESBYTERIAN WOMEN

The Women's Association of the First Presbyterian church is meeting today in the social hall of the church, and Mrs. Arthur Flum, president, will open the morning session at 11 o'clock. The noon luncheon will be served by Group 4, of which Mrs. Lovon Phillips is chairman. The afternoon program will include a sound film, "Decision in Thailand", showing the impact of Christianity on the young people of that country.

Alta Loma PTA To Seat New Officers

New officers of the Alta Loma Parent-Teacher association, headed by Mrs. Howard J. Kilmurray, president, will be installed during the monthly meeting of the group this evening, at 7:30 o'clock at the school. Mrs. Kilmurray succeeds Mrs. Joe Voss.

For entertainment, a fashion show of knit styles and ready-to-wear garments will be presented by Mrs. Ray Derfer and Mrs. George Jackson. Mrs. Robert Salisbury will direct the Glee club in several selections.

Book Review Is Program For Service Guild

Mrs. Estelle Shelley reviewed the book, "Channels of Spiritual Power" by Frank Laubach as the program for the April meeting of the Evening Service Guild of the First Methodist church, at the home of Miss Frances Massey, 364 West Bonnie Brae court, Ontario.

Mrs. P. H. Sanchez gave the devotions. During the business session, presided over by the president, Mrs. James A. Curry, a report was presented by Mrs. Clifford J. Bennett, chairman of the nominating committee, which will be voted on at the next meeting. The slate included all the encumbent officers.

Opening the meeting, dessert was served by Miss Massey, and Mrs. George M. Gibson and Mrs. Bennett, assisting hostesses.

Present were Mrs. Shelly, a guest; the Mesdames Ralph W. Lee, P. H. Sanchez, Albert R. Kanya, Clyde R. Tigert, Willette C. Craig, Mabel L. Armstrong, T. George Cunning, James A. Curry, Joe Morgensen, Vernon V. Paine, Ernest H. Gibson; Miss Elsie Gibson and the hostesses.

ST. CATHERINE'S GUILD

Monthly meeting of St. Catherine's Guild of St. Joseph's Catholic church will be held Wednesday evening, April 13, at 8 o'clock, at the home of Mrs. Casimir Masluk, 752 North Eighth avenue.

Mariner's Yacht Club Gathers For Box Social

Time was turned back for members of the Mariners Yacht club of the First Presbyterian church on a recent evening when they enjoyed an old-fashioned box social in the social hall of the church. Owen E. Moore acted as auctioneer.

The tables were cleverly decorated in a schooldays theme by Mrs. E. A. Ruddock. Carroll G. Kissick served coffee.

Entertainment for the occasion included a cake walk and a spelling bee. Group singing was led by Burt Jackson.

Skipper James C. Stamm, Jr. presided over the business session, and Herbert Holt gave the devotions.

Present were the Messrs. and Mesdames Burt Jackson, Jack Reisz, Herbert Holt, Donald Swihart, Owen E. Moore, George Beardwood, Dean Bradford, Ray Kellogg, E. A. Ruddock, James C. Stamm, Jr., Ralph Scott, Carroll G. Kissick; the Rev. Trusten A. Hart and William K. Vanderwilt.

Herbert Swim Is Speaker At Nurses Meeting

Forty-three members and guests of the California State Nurses association, District 53, heard an interesting talk by Herbert Swim of Armstrong Nurseries on "Rose Hybridization" at their monthly meeting on a recent evening at San Antonio hospital.

Mrs. L. J. Horsch, president, presided over the business session. Voted into membership were Mrs. Frances Gurlock, Miss Alta Johnson, Mrs. Frances Gilmore and Mrs. Viola Weller.

Guest nurses introduced were Miss Virginia Langford of New York, Miss Esther Billingsley and Mrs. Beatrice Bernard.

The meeting was concluded with the serving of refreshments by the hostess committe.

Methodist WSCS To Meet April 14

A program on the United Church Women of the National Council of the Churches of Christ in the U.S.A. will be presented by Mrs. Harold B. McCreight and Mrs. Eugene L. Mueller at the monthly meeting of the Woman's Society of Christian Service of the First Methodist church today.

Mrs. Hugh L. McLellan, president, will open the meeting at 11 o'clock in Fellowship hall.

Luncheon will be served at 12:15 o'clock by members of the Miriam Circle, and a business session will follow.

Preceding the meeting, a half-hour prayer service will begin at 10:30 a.m.

Brownie Troop Visits Post Office

Brownie Troop 112, made up of third grade girls of the Upland Elementary school, visited the Upland post office on a recent afternoon, where they learned how the mail is handled and sorted according to its destination, and then how it is distributed for delivering.

They were accompanied by their leaders, Mrs. Carl Williams and Mrs. Don Gilson, and Mrs. Elsie Miller.

Members of the troop are Donna Evans, Linda Galloway, Patricia Gilson, Carol Ann Hendricks, Mary Kuntz, Linda Jo Lamphear, Patty Randles, Nancy Marie Swift, Jerri Lynn Smith Kaye Williams, Pamela Theall, Sue Gray, Karen Miller, Sandra Machnick and Carolyn Gibson.

Author Is Speaker For St. Clare's Meeting

William Caruthers, local author, was guest speaker at the monthly meeting of St. Clare's Auxiliary of St. Mark's Episcopal church held on a recent evening in parish hall. Guests for the occasion were members of the Woman's Auxiliary.

The author, who has spent much time in Death Valley, had for his subject, "Death Valley Characters", prominent among whom were Death Valley Scotty, Shorty Harris and Dead Fairbanks.

Mrs. Charles W. Hawthorne gave the devotions, and Mrs. Leslie A. Kalil, president, presided. It was announced that Mrs. C. F. Benninghoff wants all reservations for the spring bridge party to be in by April 14.

A social hour closed the meeting, and refreshments were served to some 60 members and guests. Hostesses were the Mesdames W. B. Howell, B. B. Harrington, Moody Ennis, Margaret Doyle, W. G. Laney and Stella Bianco.

Father Browne Speaks To Altar Society

Father Michael J. Browne discussed and explained Holy Week services at the monthly meeting of the Altar and Rosary Society of St. Joseph's Catholic church held on a recent evening in the Community hall in Upland park.

Mrs. Daniel W. Maher, president, presided over the business session, and welcomed as new members were the Mesdames John Maurer, Charles Reed, Howard Gielow, Luis Olegues and Edmond Vadnais.

Closing the evening, refreshments were served to more than 50 members by the Immaculate Conception Guild, headed by Mrs. James Beggs, captain. She was assisted by the Mesdames Julius Ammannito, James Kellett and Dale Pulver.

Girl Scouts of Troop 4 Busy With Projects

Girl Scout Troop 4 had a camping over-nighter last week end, only it was held in the back yard of the leader, Mrs. Donald Ricci, 732 North Second avenue. The girls put up their own pup tents, and planned and cooked their meals. Mrs. Ricci and the assistant leader, Mrs. Elias Mar-

The week before the girls had tinez, spent the night out of doors with them.

a trail exercise in San Dimas park, when Mrs. Brooks Drayton was also a member of the party, and Mrs. Martinez assisted the girls.

In between times, the girls are working on decorated Girl Scout notebooks, and recently they joined Mrs. Donald Swihart's troop in sending a CARE package to Korea.

PTA Board Is Entertained

Mrs. Joe Voss, retiring president of the Alta Loma Parent-Teacher association, entertained members of the outgoing executive board at a social hour following the final meeting of the group on a recent afternoon at the school. Coffee and cake were served, and the teachers were also guests.

Surprising Mrs. Voss, the board members presented her with a chafing dish in appreciation of her services.

Board members present were the Mesdames G. T. Stamm, Jr., Philip Runnells, Lloyd Michael, Eugene Billings, Myrta Crilly, A. T. Arbezzi, Robert Hill, Roy K. Haigh, Elmer Williams, Jack Whitney, Millard Herr, Don Quaschnick, Voss; and John Howe, one of the teachers.

M. W. Kellogg Company is building a plant to convert Africa's coal into gasoline.

Juniors Enjoy Easter Party

Group 2 of the Juniors of Upland Unit, American Legion Auxiliary, of which Mrs. James E. Jordahl is chairman, enjoyed an Easter party Thursday afternoon at the home of Mrs. Thomas Howarton, 1059 West Sixteenth street.

An Easter egg hunt and several games provided entertainment, then refreshments were served by Mrs. Jordahl, Mrs. C. N. Fry and Mrs. John Engle.

Juniors present were Diane Larkin, Nancy Dewey, Margaret LaPlante, Carol Land, Linda Fry, Pamela and Sandra Theall, Linda Miller, Kathy Engle, Judy and Janet Jordahl and Charlye Millman.

Luncheon Club Plays Bridge

Mrs. J. F. Sawyer was hostess for the April meeting of the Wednesday Luncheon club. After the members had enjoyed luncheon at the Hobby House in Ontario, they adjourned to the Sawyer home, 442 North Euclid avenue, for an afternoon of bridge.

At the close of the games, prizes were awarded to Mrs. Jesse Monroe, Mrs. I. J. Linkey and Mrs. Blanche M. Loch.

Mrs. Monroe and Mrs. Loch were guests, and members present were the Mesdames G. A. Brest, Charles O. Deverts, I. J. Linkey, Loring N. Kirk, Glenn M. Atwood, Milton F. Huxtable, William C. Cline, F. H. Maner, Bert C. Nichols and the hostess.

Top squares of leftover ham loaf with slices of canned peaches; blend a little of the peach syrup with prepared yellow mustard and spoon over the garnished squares. Bake in a hot oven, basting a few times, until hot through.

New super-speed Gas broilers make broiling even easier...better

The new Gas broilers have radiant reflectors which direct the quick, searing heat of the clear blue flame downward. They also spread the heat evenly over the entire broiler surface. The result? Broiling that's quicker—better than ever. Broiling that's *smokeless*...that gives meats a delicious flame-kissed flavor. This week see the gleaming new automatic Gas ranges demonstrated at your dealer's or Gas Company.

OTHER NEW FEATURES

Needle-pilots give split-second lighting—leave ranges cooler.

Rotary barbecue automatically turns meats during barbecuing.

Automatic timer for top burners turns Gas off at time you set.

Fire Razed Alta Loma Warehouse To Be Replaced

Tentative plans are being made for construction of a new building in Alta Loma on the site of a fruit packing house structure, owned by Western Grain & Fertilzer Co., Fontana, that was destroyed by fire recently. Government owned cotton stored in the packing house was also destroyed.

No estimate of the cost of the proposed structure, nor its size, has been worked out at this time, Mark Faderman, manager of the Fontana plant said.

The cotton stored in the fire-razed structure burned for days after the fire. Firemen said water would not reach the fire inside the bales. The cotton burned to a fine ash. Thousands of gallons of water dumped on the bales failed to halt the smoldering fires inside bales, firemen said.

Ray McGinnis Buys Huntington Drive Residence

Mr. and Mrs. Raymond McGinnis, Jr., and family are today residing at 1910 West Huntington drive, College Heights, moving here from Ontario. They purchased the property from the Glenn Musser family, who have moved to Ontario.

Mr. McGinnis is an Upland mail carrier, handling the "mounted" route with a delivery truck. He is president of the Madonna of the Trail Obedience club and a trainer of dogs in classes held at Upland Memorial park.

Use the cooking water from vegetables in soups or gravies; or add it to tomato cocktail.

New Bank Building Nearly Ready For Open House

Sketch above is that of Bank of America's new Upland branch, now nearly completed at the corner of Second avenue and "C" street. Public open house will be held April 28. The building is three times as large as the present Upland branch and represents an investment of $223,000 in construction, land, and paved parking area.

Community Artists To Show Works Sunday In Annual Exhibit At YMCA

The seventh annual Community Artists' Ehibit will open Sunday at noon and run until 6 p.m. at the Intario YMCA, 215 W. C St.

This show, inaugurated by Mrs. W. E. Amberson, Upland, started in 1949 for local painters and those from nearby communities. Mrs. Amberson also directed the annual Invitational Art Show of contemporary painting last October.

Next Sunday's show is to promote interest in art and to recognize and encourage artists of this area. The first ehibit was held in the Chaffey women's gymnasium and featured 125 paintings by 80 artists.

Two years ago an exhibit of ceramics was introduced for a trial and proved such a success that the association decided to add ceramics to the annual exhibit.

Painters may enter two paintings, either oil or water color, or one of each, with a one dollar fee for each entry.

Mr. James Duffy, board member of the C2haffey Art Assoc. is chairman of the ehibit and will be assisted by Miss Pearl Moore, Norman Maxwell, Mrs. Robert Graber, Mrs. W. E. Amberson and Mrs. Cason Mast.

Hildred Reentz of Chaffey college Art Department, adult education class will have charge of the ceramics division and will be assisted by Mrs. James Duffy. Ceramists may enter four works, paying an entry fee of 25 cents for each entry.

All exhibits must be delivered to the YMCA, on April 16, between the hours of 9:00 A.M. and 12 noon.

The painting division of the Community Artists' Exhibit is a non-juried show. Paintings are judged by popular vote of the public attending, and a cash award will be gieven for the best oil and the best water color receiving the most votes.

Honorable mention ribbons will be presented in each division.

Many of the paintings and ceramic pieces will be for sale.

A reception will be held in the lounge of the YMCA between 2-5 p.m.

Mrs. F. A. Maurer, member of the Chaffey Art Assoc. board will act as reception hostess.

Last year two Uplanders won the two prizes awarded in the painting division of the Community Artists' Exhibit.

Mrs. J. W. Winston of 561 Eighth Ave., for her water color, a pastel, called "Autumn in Old Virginia," and Miss Margy Crawford, 1953 W. Eighth St. for her oil entitled "Guadalajara Morning."

Elementary School Administrators Attend Santa Rosa Conclave

Upland elementary school principals, Miss Jessie E. Brown, of Upland Elementary School; Jesse Jensen, of Sierra Vista Elementary school and Mrs. Frances Mitchell, of Baldy View Elementary school, attended last week the annual conference of California Elementary School Principals Association, at Santa Rosa.

Ernest Payne Named To Executive Board

Ernest Payne, principal of Chaffey high school, was elected director on the regional executive board of the Fifth District of the California association of secondary school administrators. He has previously served as president of District 20 A.

The Counties in Region V include San Diego, San Bernardino, Imperial, Riverside, Inyo, Mono, Orange, and the eastern part of Kern county.

Park free in Upland.

'No Parking' Signs Removed from San Bernardino Road

"No Parking" signs will be removed from San Bernardino Rd. east of 11th Ave. for a 30-day trial period, the city council agreed.

The signs were erected during an early period of the hospital when parking on the street created a danger for residents backing out of driveways. By eliminating parking the traffic congestion was corrected.

With adequate hospital parking facilities the council felt that excessive parking would not result from a removal of the parking ban. The trial period was authorized before definite action is taken.

UC Trio Making Sunday Telecast

Jerry Whitcher, violinist, Joanne Whitcher, celloist, and Roger Hedlund, pianist, instrumental trio of Upland college, will appear Sunday, on the Church Talent Hour, heard at 10 p.m. over Channel 13.

Students of the Upland academy and college, respectively, the local young poeple have been playing for banquets, churches and school events for some time.

Participating on the Church Talent Hour, a weekly television concert featuring gifted members of Southland churches, the Whitcher sisters and young Roger will complete with other talent for a scholarship offered to audience favorites by means of viewers' votes sent to the station of the telecast.

Chaffey Ag Teams Win Awards During Field Day Judging

Chaffey high ag students Friday were awarded two trophies and five ribbons during Kellogg Field day at Cal Poly, with the JC Future Farmers rating high in citrus judging in which Robert Salgado took high individual honors.

Ronald Fullner, Upland JC student, placed fifth in individual citrus judging.

The high school team won first in horticultural skills, and tractor skills. Ribbons were awarded to the team for third place in hay loading; third place in seed and feed identification; second place in truck crops judging; third place in poultry and third place in citrus judging.

Individual scoring honors gave Barney Carran, Alta Loma, first place in horticultural skills; Jack Dillon, Upland, sixth in tractor skills and Bill Barrass, Alta Loma, third in seed and feed identification.

No Opposition From CAA To Reservoir

The CAA, in a recent letter to City Manager R. G. Manley, acknowledged receipt of information concerning erection of the $45,000 steel city reservoir at Benson Ave. between 13th and 14th Sts. The CAA voiced no opposition to the project.

They did advise a warning light on top of the structure which will be 33 feet high.

The city council authorized a letter to CAA advising them that Dewey Canle, owner of the Cable-Claremont airport, had been granted permission to install a warning beacon on the reservoir.

Sale of Farm Tools Brings City $427.97

Sale of farm tools at the disposal plant farm gave Upland a credit of $427.97 on the cooperative records kept by Ontario and Upland in operation of the plant.

Change in use of the land made the tools unnecessary and they were sold with Upland credited for 28 per cent of the total amount which is the proportionate share of use the city makes of the sewer disposal system.

Layers Increase As Income Drops

The 1954 Annual report of the Agricultural Commisioner Harold Crane, shows there were 4,385,360 laying hends in San Bernardino county compared to 4,083,360 in 1953.

This is over seven per cent increase in the number of laying hens in the county.

The income from the sale of eggs by farmers was $28,504,840 compared to $35,393,323 in 1953. This decrease resulted when farmers received only 38½ cents per dozen in 1953.

In spite of the increase in layers in the county, the producers of eggs jointly received 24 per cent less for their product than in 1953.

Tigereshark Crew Participates In Sea Scout Beach Regatta

Sea Scouts attached to the SS Tigershark under Skipper T. R. Wilson recently took part in a council regatta at Cabrillo Beach, the Sea Scout base.

Cutter pulling and breaches buoy drill were two of the training highlights of the regatta.

Taking part in the cruise were Walter Wood, Charles Doughty, Dan Nicholson, Charles Bacon, Wayne Owens, Paul Hirschman and Bob Calhoun.

The Tigershark will take part in a cruise to Catalina this month.

Charles Curtis, vice president under President Herbert Hoover, once gained fame as a jockey.

Young children have fewer colds than people in their 'teens, available statistics indicate.

Orange Market Stronger With Lemons Lower

The California navel orange market was active and higher during week ending April 9. Sunkist Growers' sales were slightly ahead of the previous week, totaling around 825 cars. Average prices on fruit sold in interstate markets moved up some 20 cents to the level of $1.80 a box f.o.b.

The Navel Orange Administrative committee increased the current week's movement of 800 cars of Southern California navels to a total of 850 cars and set the prorate for the week ending April 16 at 900 cars from Southern California.

Initial shipments of valencia oranges from Central California will go forward next week, the Valencia Orange Administrative committee allocating 36 cars of that variety to applicants with early maturing fruit.

Immaculate Conception Guild

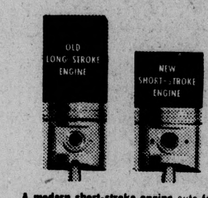

April meeting of the Immaculate Conception Guild of St. Joseph's Catholic church will be held this evening at 8 o'clock at the home of Mrs. Ward Franklin, 625 G street, Upland.

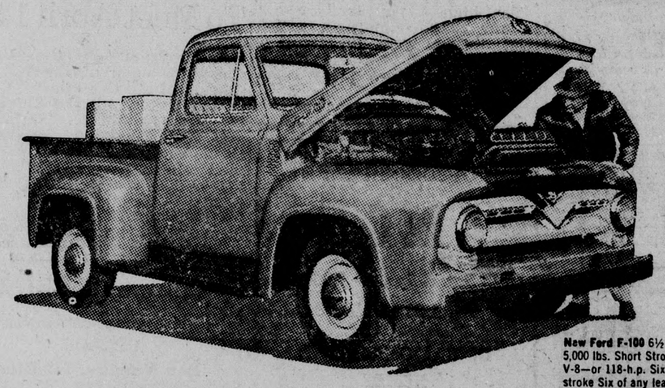

Children who are not farsighted when they start school are apt to become nearsighted in the fourth or fifth grade, says the Better Vision Institute.

The Boy Scouts of America submits an annual report to Congress which granted the organization a federal Charter in 1916.

LIKE TO LEARN A NEW GAME?

It's called "Get What You Want," and *the whole family* can play it! First, choose an over-all amount, such as $100, $250 or $500. Then ask each member of your family to choose something he wants, for his share of the total. The rest is simple—start a B of A Savings Account and save *systematically*, making deposits of $2, $5 or $10 a week for one year. In this way you'll have the money before you know it! It's also a fine way to save for a vacation trip or some other large-scale family project.

DOES YOUR HOME NEED ATTENTION?
If so, here's good news! You can fix a leaky roof, build a patio, or make more than 150 other home repairs and improvements with convenient, low-cost *Timeplan* financing. *Do it now* and pay out of income in small monthly instalments—you have up to 36 months to pay. Financing arrangements can be made through your *Timeplan* dealer or contractor—or at our bank.
? BofA *Quiz Corner* ?
DID YOU KNOW THAT you can enjoy the convenience of a Tenplan checking account at our bank without having to worry about a minimum balance? The only money you need keep on deposit is enough to cover the checks you write. Tenplan costs only $1.25 for each book of ten checks.

Councilman Don Carr Sounds Warning

Olivedale Homeowners Should Have Voice in Deciding Park Improvements

Residents of the Olivedale park community should be contacted for an opinion before any further development of the park is made, including rest rooms recently requested by a group of Little League officials. Councilman Donald Carr said during a recent meeting of the city council.

Garwood Warders, Little League commissioner, and Marvin Dunn, a past commissioner, were spokesmen for a group of league officials appearing before the council petitioning, for the second time, for rest rooms at Olivedale park and extra outfield lighting at Memorial park baseball diamond.

A previous request was denied due to lack of funds for such improvements. Councilman Robert Thrall, finance committee chairman, told league officials, the city could not find funds in the present budget to carry out such a request.

The second appeal was made under the head of an emergency by Commissioner Warders. He pled the danger to young baseball players due to the lack of proper lighting. He pointed out that two extra lights were necessary to protect outfielders from danger from high fly balls.

He also repeated comments by Uplaners who would like to take their children to baseball games but refrained due to the lack of rest room facilities at Olivedale park.

No Improvements Planned

Councilman Don Carr told the league officials that no extensive improvements were planned when the city purchased the land now occupied by Olivedale park.

"It looked like the city would have to buy this land to keep it from becoming a nuisance because of weeds and debris that accumulated. No plans were made for its development when the land was purchased. We have had lots of complaints from that area and have gone ahead with development of the park site although the city was not financially able to do so.

"Before rest rooms or added facilities of any kind are voted for this park it would be wise to find out what people living in that area think about the matter. A mention of floodlighting for the diamond for next year has been made and the residents of that community most certainly ought to be contacted and their sentiments learned concerning such a move," Mr. Carr said.

Commissioner Warders asked, "Then you think a petition ought to be circulated among those living close to the park?"

"I'm not advising procedure of any kind," Mr. Carr said. "I feel that the people ought to know what is being planned and have a chance to voice their opinion. There has been considerable complaint about the park in the past."

Mr. Dunn said: "These complaints came from two or three people but not from the neighborhood in general."

"As to that, I have nothing to say," Mr. Carr answered. "The complaints have been handed to me and I know how some of the people in Olivedale feel."

The request by league officials was referred to the recreation committee for recommendations.

New Applicant Should Not Drive To Vehicle Office For Operator's Test

Paul Mason, state motor vehicles director, reminded applicants for original automobile operator's licenses that they are forbidden by law to drive alone to Department of Motor Vehicles offices to apply for driver tests.

"Drivers license examiners have strict orders to refuse to give tests to learners and other applicants for original licenses when the individual is not accompanied by a licensed operator," he warned.

He said there had been some instances when examiners failed to ascertain whether new applicants were accompanied by licensed operators.

"In some cases," he said, tests have been given to persons who failed to demonstrate ability to drive. It was then discovered that the applicants had driven alone to take the tests.

Uplanders Register For Spring Term at Whittier College

Mrs. Mary Grable, 1068 W. 13th St., and John E. Collins, 718 W. 16th St., are among the 1008 students enrolled at Whittier College for the spring semester of the current school year.

The registration figure is the highest spring semester enrollment at Whittier in the past five years and is well above the 907 registration for the corresponding semester last year.

Pfc. Val Westbrook Slated for Part in 'Exercise Apple Jack'

Pfc. Val G. Westbrook, whose wife, Joanne, and mother, Mrs. I. A. Keever, live at 279 N. Second Ave., is among 26,000 soldiers slated to participate in Exercise Apple Jack during May at the Kakima Firing center near Fort Lewis, Wash.

Pfc. Westbrook, a driver in Battery C of the Second Infantry Division's 15th Field Artillery Battalion at Fort Lewis, entered the Army in May 1953. He was previously stationed in Germany.

Perspective of District CMBWD Building To Be Studied at Meeting

A perspective drawing and revised plan for a new district headquarters building will be submitted to the board of directors of the Chino Basin MWD at a meeting next Thursday.

The board voted to incorporate plans suggested by Director R. C. Wolf and architect Dewey Harnish in one general plan for board study.

Board members agreed immediate action should be taken on construction of the new quarters at a site near Archibald Ave. and Arrow highway because the lease on present quarters at 121 N. Plum Ave., Ontario, expires Nov. 1.

FIRST INDUSTRY

Glass-making, which was started by Virginian colonists in 1608, is said to be the first colonial industrial undertaking in America.

Although Karl Marx was born in Germany, he spent most of his life in France and Belgium, and spent the last 30 years in England, where he died.

Cucamonga County Water District Board

These five men are faced with the task of bringing supplemental water to the Cucamonga-Alta Loma area as rapidly as possible to augment dwindling supplies from fast failing wells. Elected to the water board of directors during an election in March are, seated from left to right, Robert Nesbit, president, Gaylor Royer and J. F. Grass Jr. Standing from left to right, Harold B. Blatz and John S. Ingalls.

City Manager Makes Budget Report

Expenditures Exceed Allocations By $18,450 During First Three Quarters

A report on expenditures for the first three quarters of the fiscal year, at the close of business in March, disclosed Upland city spent $18,450.66 more than anticipated and allotted for this period. The sum of $117,923.34 still remains in the treasure for city operation until June 30.

The report, submitted to the city council by City Manager R. G. Manley, shows total expenditures for the first three quarters amounting to $335,154.66. The annual budget calls for $453,078. Allotted in the budget for the first three quarters is $316,704.

The general fund, allotted at $36,000 for the first three quarters, has used $42,357.43 or $6,357.43 in excess of allottment. Budget for this fund for the year is $48,070.

The police fund has run over $2,389.23 with $72,589.23 spent for the period against an allottment of $70,200. Annual budget for the department is $93,562.

The increase in fire and liability insurance coverage over past years, resulting in higher insurance premiums, caused $1,439.74 greater expenditures than allotted. Out of $6,615.74 budgetted for the years $6,110 was spent during the first three quarters.

City growth sent traffic safety expenditures soaring with $9,121.96 spent above the amount anticipated for the last three quarters. Expenditures to date were listed at $43,141.96 compared to an allotment of $34,020. The annual budget for the fund is $45,247.

The park and recreation, fire department, building department, health department, sanitation division, and planning commission funds were well within the budget set for the period.

The park and recreation fund, with an allottment of $33,000 for the first three quarters of the year, spent $31,117.02. A balance remains in favor of the fund, for the period, amounting to $1,882.98. Annual budget for parks and recreation is $41,929.

Archery Champion Moves Here; Plans To Open Free Training Class

Corky Johnson, state instinctive style archery champion, is shown in his workshop shaping a bow. With his wife and son he moved to Upland Sunday from El Cajon. He plans to open a free archery instruction course.

The instinctive style archery champion of California moved to Upland Sunday.

Corky Johnson, who has won first in state archery meets for three straight years, with his wife, Carol, and two-year-old son, Craig, moved to 1150 E. Ninth St.

Archery contests are divided into two classes, he explains. The freestyle, or where the arrow is aimed, and the instinctive style, where the archer shoots by feel. He is the champion in the latter division.

The state archery contest this year will be in Oakland, July 2-3 and he has already made plans to be at the meet and shoot towards his fourth championship.

Local archers, who shoot in the 600 bracket, admit the champion has a lot on the ball by turning in scores around 850 consistently.

A manufacturer of bows under his own name brand, Mr. Johnson will continue to produce bows according to the requirements of individual customers.

A free course in archery will be inaugurated soon for local archery enthusiasts and beginners interested in knowing more about the sport, he said.

Lynn D. Newman on Sagehen Frosh Squad

Lynn (Dave) Newman, son of Dr. and Mrs. Herman R. Baker, 980 Hillcrest Dr. is a member of the Pomona-Claremont Sagehen frosh track squad this season.

He was graduated from Chaffey high school last year and is following a pre-medical course at Pomona College.

New Veterans Hospital Will Serve West End

The President recently approved the replacement of temporary hospital buildings at the Long Beach Veterans hospital that serves, among others, former service men now living in the West End.

The present Long Beach hospital is a 1,600 bed institution which VA acquired from the Navy after the close of World War II. It was built by the Navy in 1943 and, except for a central core and certain auxiliary buildings, it is of temporary, nonfireproof construction.

Congress last year added $8,000,000 to the VA budget for the replacement of the temporary buildings. This wil finance the first phase of the porject and it was this phase that the President approved.

The first phase calls for the construction of a new building that will provide 561 beds, including 205 for paraplegic patients. It also includes construction of the following facilities: a new surgery unit, a central supply service, a therapeutic pool for paraplegic patients, and numerous other related facilities.

Under the President's approval, VA now may proceed with plans and specifications for the replacement project, preparatory to advertising for bids and awarding contracts.

Harry L. Dalton Taken by Death; Last Rites Held

Funeral services were held Friday afternoon at the Stone Funeral Home for Harry L. Dalton, 749 Sycamore court, who died Wednesday evening at the Veterans hospital in Long Beach following a three-month illness. He was 68 years of age.

A retired army man, Mr. Dalton was a native of Whitehall, New York, and came to Upland 15 years ago from Fort Leonard Wood, Missouri. He was a member of Veterans of Foreign Wars.

He is survived by his wife, Estelle Dalton; two sons, Harry R. Dalton of Chino, and William L. Dalton of Cucamonga; a sister, Mrs. Mildred Denton of New York; a brother, Leslie Dalton of Massachusetts; and two grandchildren.

The Rev. Orval J. Nease, pastor of the First Nazarene church of Ontario, conducted the service, which was followed by interment in Bellevue cemetery.

Toothpaste filled most of the billion collapsible metal tubes made in the United States last year, although many other products like adhesives and wood fillers were sold in such containers.

Cage Meet Plan Will Be Shelved

Plans for a basketball tournament in the new Upland high school gym will have to be abandoned for the coming season, the 20-30 club learned, during a dinner meeting at the Sycamore Inn recently, from Harvey Shirk, athletic director of the new school.

The club, hoping to sponsor the tournament, was told the first year would see the new school accommodating the first two high school grades. The second year of the school's operation would see another grade added, Mr. Shirk said.

When the high school enters the three-grade phase a JV tournament might be planned, he said. Next season the gym will not have a score board, which would be necessary in tournament play.

Special committees were appointed during the meeting to officiate at the club sponsored annual Easter egg hunt in the vacant lot at the northwest corner of Campus Ave. and A St.

To repair a sticking door, rub soft blue marking chalk on the entire jamb, and then close the door. When you open it the chalk will have marked the points that rub. Take them down with sandpaper or a block plane.

The Pacific Ocean has an area of 63,985,000 square miles, more than twice the Atlantic's 31,529,000 square-mile area.

Third Uplander Dies Following Traffic Accident

Funeral mass for Thomas Marcus Ynostroza, 38, 8183 E. Ninth St., was conducted Monday at 9 a.m. at St. Joseph's Catholic church following a rosary recited Sunday at 7:30 p.m. Sunday at Stone's Funeral Home.

Mr. Ynostroza was the third person claimed by death following a two-car collision on Highway 66 about a half mile north of Verdemont Junction on March 12.

Raymond Mendoza, 66, 136 10th Ave., was pronounced dead on arrival at a San Bernardino hospital and Jose Morales, 62, 8193 E. Ninth St., died March 13.

Mr. Ynostroza died at the San Bernardino County hospital last Wednesday. He was being treated for a fractured jaw, and multiple body fractures.

An inquest into the March 12 accident was held March 15 at which time a coroner's jury returned a verdict of negligence against the car's driver, John Sandoval, 27, 1415 E. Ninth St.

The driver of the ill-fated car has been charged with manslaughter in connection with the first two deaths. He is now awaiting trial.

The crash that claimed the three lives occurred when Mr. Sandoval pulled to the right before making a U-turn. When he swung to the left he pulled in front of a northbound car on Highway 66, a report of the accident shows.

Mr. Ynostroza was a native of New Mexico and lived in California and Upland for 35 years.

Besides the widow, Mrs. Carmen Ynostroza, he is survived by three daughters, Rosina, Rachael and Rosemary, all at home; two sons, Richara and Ramondo, both at home; two sisters Mrs. Andrew Morales and Miss Gloria Ynostroza, of Upland, and three brothers, Felix, Carlos and Paul, of Upland.

Interment was made in Bellevue cemetery.

Trailer Rental Busy As Residents Served On Central Avenue

Mr. and Mrs. C. D. Lynch are host to many visitors and residents in the community. They maintain this city's only auto trailer space rental area at 948 North Central avenue. It is filled to capacity most of the time.

Seven spaces are available for trailer rentals. Some of the occupants have been residing in trailers for two years.

Mr. and Mrs. Lynch came here three years ago.

Hawaiian Pictures Shown To Lions

Glories of Hawaii were pictured for Upland Lions club members Thursday noon by Ronald H. McLennan, who reviewed a recent trip to the islands. He is a former resident there and he and Mrs. McLennan returned for a visit.

Pictures presented by the Lion to his fellow clubbers depicted the many unusual features of the islands. President Mark Bradburn presided.

County Retail Sales Up 7.4 Pct. During Last Quarter of '54

Fourth quarter retail sales in San Bernardino county showed an increase of 7.4 per cent over the corresponding period of 1953, according to Robert E. McDavid, member of the state board of equalization. Taxable sales in the county exceeded $96,661,000 for the three months ended December 31, 1954, producing $2,899,000 in sales tax revenues.

The majority of all businesses recorded substantial gains in the recent fourth quarter over the corresponding quarter of 1953. Small declines were evidenced in gift stores, photographic supplies, packaged liquor stores, eating and drinking places, household appliance dealers, hardware stores and new automobile dealers.

Third Demurrer Filed In Kelber Suit Against City

Two subdividers seeking through a Superior Court suit, to recover $2,040 paid to the city park and school site fund do not state specifically in what way the charges are contrary to law, City Attorney Henry Busch set out in a demurrer filed to the second amended complaint in the suit.

The subdividers, B. F. Hungerford, Upland realtor and Mike Kelber, Ontario developer, are being represented by the Ontario legal firm of Kelber & Kelber.

A demurrer filed by the city attorney to the original complaint was sustained by Superior Judge Archie Mitchell. A demurrer filed to the amended complaint was also sustained by Judge Mitchell.

The demurrer filed recently to the second amended complaint and scheduled to be heard April 15 is still lacking in points of violation, Mr. Busch points out.

In the second amended complaint the Ontario lawyers state that the storm drain and school and park site "Unreasonably interfere with and restrict in an unlawful manner and without authority of law the business and pursuit of subdividing lands in the city contrary to the constitution and laws of the State of California."

In the first amended complaint Kelber & Kelber cited the ordinances substantiating collection of the two charges as being in violation of the constitution of the state.

Mr. Busch sets out in the recent demurrer that from the second amended complaint information "cannot be ascertained whether ordinances mentioned are void and invalid in whole or in some portions of the ordinances."

He asks that the exact point of violation be set out to clarify the complaint.

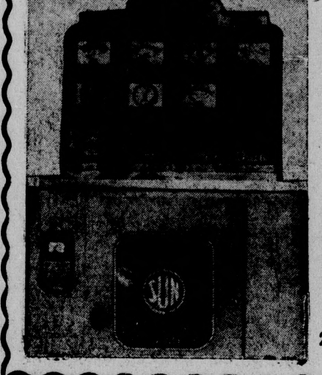

Mr. Hungerford is asking for a return of $900 on a 30-lot development on the west side of Euclid Ave. at 15th St. and Mr. Kelber for a return of $1,140 for 38 lots on the east side of Euclid Ave. north of 13th St.

built to serve the West

Nisbet To Support L. A. Highway Bill If It Retains Devore Provision

Assemblyman Eugene G. Nisbet is on record today in favor of the proposed legislative bill placing the proposed Devore cut-off into the state highway system. The bill provides for construction of a short-cut route from Etiwanda avenue, south of Foothill boulevard, to Cajon pass. The bill is numbered AB-1655. One section No. 15 specifically lists the Devore cut-off.

"I will support the bill so long as this section remains a part thereof, though I have my reservations as to the defensibility of the balance of the demands," Mr. Nisbet said in a communication to The Upland News. The San Bernardino county board of supervisors recently passed a resolution in favor of the bill.

From Mr. Nisbet's comment, it appears that some features in the bill are not acceptable to him but that he is strongly in favor of that provision concerning the Devore cut-off. "Each sectional project has the right of fair and complete consideration but it must stand on its own merit," Mr. Nisbet said.

"I have always maintained that opening of the so-called Devore cutoff would at least give partial relief to the truck traffic."

Texas raises more wild turkeys than any other state.

Last Rites Held For Vittorio Benetti

Graveside services were held Saturday morning at Bellevue cemetery for Vittorio Benetti, Rochester avenue and Foothill boulevard, a resident of Cucamonga for 42 years, who died April 5 in a San Bernardino hospital following a week's illness. He was 79 years of age.

A native of Italy, he came to Cucamonga from that country 42 years ago. His wife, Angelica, died in 1925. Surviving are a daughter, Miss Maria Marogna Benetti, and one son, Luigi Benetti, both in Italy.

The Rev. Fr. Francis Horvath of the Sacred Heart Catholic church of Etiwanda conducted the service.

Michael Harris Leaves for Orient

Michael Harris, son-in-law of Mr. and Mrs. Alfred R. Kipp, 2439 San Antonio Crescent West, San Antonio Heights, left recently for Indonesia, where he will be engaged in educational and training work under the Ford Foundation.

He and his wife and children returned last September from Germany, where he had been chief of the Foreign Operations Administration Mission to Germany.

Mrs. Harris and two daughters, Susan, 12 years old, and Katherine, two, will remain with Mrs. Harris' parents until the close of school, and then will sail for the Orient. Mr. Harris will meet them in Hong Kong, and from there they will fly to Djakarta, where they will make their home for the next two years.

Puppy Obedience Match June 15 on Request of Dog Club

The city council approved a request by the Orange Empire Dog club for a change in the date of a puppy obedience match scheduled for Memorial park on May 15. The dog club asked that the date be changed to June 15 because of another match being held in the park on May 15.

There are more than 47,00 Minnesota boys and girls in 4-H clubs.

3 Tracts Given Final Approval

The city council gave final approval for three subdivisions and one record of survey during a recent council meeting.

Approved were subdivisions for Howard Bowles Upland realtor and Arthur E. Wilson, local developer, and Don Schmidt developer of Euclid Estates.

The subdivision approved for Mr. Bowles contains 20 lots south of 11th St. on either side of an extension of Quince Ave. The one for Mr. Wilson contains 24 lots and is on either side of First Ave. north of 15th St., on the east side of Euclid Ave.

The record of survey approval went to Mrs. Laura Gladys Burge for a lot north of the Santa Fe tracks facing west on 12th Ave. The division was made to permit construction of a new home on the lot divided from a larger parcel owned by Mrs. Burge.

The subdivision approved for Mr. Schmidt is on the south side of Eighth St. west of Vine Ave. and contains 40 lots.

The smallest known fish in the world is the Pandaka pygmea. These are about the size of an ant and are almost transparent, the large eyes being the only feature clearly visible.

A paper plate in the bottom of the kitchen garbage pail will help keep it dry and clean.

CITATION, No. J20806.

In the Matter of MARLENE EMILIE HOWARD, a Person Who Should Be Declared Free From the Custody and Control of her Parent.

THE PEOPLE OF THE STATE OF CALIFORNIA: To Carl Killgrove, the putative father of the above named Marlene Emilie Howard, and to William F. Haas, her uncle.

Pursuant to law, you are hereby cited and required to appear before the Judge of this Court in the Courthouse in the County of San Bernardino, State of California, at the Court Room in Department I, on Friday, the 17th day of June, 1955, at 9 o'clock A.M. then and there to show cause, if any you have, why an order should not be made herein declaring said Marlene Emilie Howard to be free from the custody and control of Carl Killgrove, her putative father.

Attest, my hand and seal of said Court April 6, 1955.

OREGON SMITH, Attorney for petitioners, 115 West "C" Street, Ontario, California.

HARRY L. ALLISON, County Clerk and Ex-Officio Clerk of the Superior Court of the State of California, in and for the County of San Bernardino.

By Helen Roach, Deputy.

The Scene for Today's Living Comfort
The Setting for Tomorrow's Generation

YOU DRIVE a modern car, you dress according to changing styles, your children attend modern schools, yet thousands of families still live in outmoded, inefficient, expensive homes. You need not dwell in the past any longer. A score of different, up-to-the-moment homes, tailored for every income bracket, are available five minutes drive from where you now live. Truly a revelation in efficiency, economy, and presitge. See now how the "other half" live . . . cheaper, and better by far. You owe it to your family today, you owe it to your children's future.

Juvenile Laws Topic Of Bland's Cucamonga Talk

Sheriff Frank Bland attributed the present lack of teeth in laws governing juveniles to the general thinking of the people, when he spoke at a meeting of the Cucamonga Service club Monday night.

As guest and speaker at the meeting, Sheriff Bland exhibited an array of weapons taken from a group of San Bernardino teenagers at the time a gang fight was headed off by members of the sheriff's department.

The weapons ranged from bicycle chains fashioned for whipping weapons, to beer oppeners fashioned into knucks.

Said Sheriff Bland: "When people get tired of the present legal limitations pertaining to enforcement of laws concerning juveniles the laws will be changed. There is nothing law enforcement divisions can do now but work within the limitation of these laws."

Stanford Shaw, former Assemblyman and Ontario attorney, and Mrs. Shaw, were guests at the dinner. Mr. Shaw was one of the speakers at the meeting.

The Cucamonga prize winning exhibit at the Orange show netted the club $300 after expenses of construction and maintenance were paid, Merle Whittacker, committee chairman, told club members. He said the exhibit won a $600 award.

Roof Spans Go Into Place On New Catholic Church

Ceiling beams for the new St. Joseph Catholic church building at 905 N. Campus Ave. were unloaded and set in place last Friday afternoon and Saturday to make possible a special Easter service on the church site. The first beam, in the background was raised Friday morning. A crew of overtime technicians was called out Saturday to complete bracing the spans so the Easter service could be held.

Girl Mariners Complete Plans For Lake Outing

Mates of the Upland Girl Scout Mariner Ship Caernlea, sponsored by the Upland Lions club, are completing plans to take part in the "Gam" at Hansen Dam, Los Angeles county, on April 30-May 1, according to information from the planning committee which includes Upland mariners Donna Hobson and Carol Ogren.

Ten Girl Scout councils are on the hostessing committee and making plans to accomodate 86 mariner ships including 1,500 girls who will camp and work together during the two day outing.

Members of the adult committee from the local council assisting with planning are Mrs. Luther Franks, Mrs. Carl Ogren and Mrs. George Draper.

The local mariners will present a landship ceremony as part of a program including drill teams in action, a comedy band, skits, sailor's hornpipe and a talk on the Chalet by Sally Rocky.

Religious services will be held for the protestant faiths Sunday and will be conducted by a Navy chaplain. Catholic Field mass will be observed on the grounds for the first time.

There are 1,270,00 miles of unpaved roads in the United States, 854,00 miles of paved road and 1,216,00 miles improved with stabilized earth, gravel or crushed stone.

Donald Cline Is Home On Leave

Donald Cline, son of Mr. and Mrs. J. Ernest Cline, 403 North Campus avenue, is home to spend a month's leave, coming from Adak, one of the Aleutian Islands, where he has been stationed with the Navy Sea Bees for the past 11 months. His boat docked in Seattle on Friday, and he flew home Saturday.

After his leave he will be stationed at Port Hueneme until September, and will then be assigned to duty in the Philippines.

During his absence in Alaska, his wife, the former Ardell McGregor of Alta Loma, has been making her home in Los Angeles, where she is employed by the Pacific Finance Company.

No true lily is a native of Great Britain.

UC Debaters Accorded High Contest Honors

Members of the Upland college debate squads received high acclamation during the recent bi-annual Pi Kappa Delta national forensic tournament at the University of Redlands with John Raser, Dallas Center, Iowa, receiving an excellent award in extempore speaking.

Paul Boyer, Dayton, O., student body president, received an award for his oratory in his presentation at Phoenix City.

A debate squad of Mr. Boyer, Mr. Raser, Gladys Weaver and Shirley Book participated in the unlimited division of the debate winning three victories. The debate topic was "Resolved that the United States should extend diplomatic recognition to the Communist government of China."

Paul Boyer, Dayton, O., stual events, also received recognition for his work in public discussion.

Monday night Mr. Boyer and Mr. Raser engaged in a symposium debate with a Pomona college team at Claremont. They took the negative side of the question to provide practice material for a Pomona squad scheduled to meet a University of London team this week

This practice at Claremont closed the debate season for the college, Coach Bob Carlson announced. The college will take part in a speech pentathlon at USC late this month with John Raser the only entry.

Intersection Crash Results In Injuries For Jane Keykendall

Jane Keykendall, 19, 7524 Alta Cuesta, was treated for minor injuries at San Antonio Community hospital following a two-car intersection collision at Euclid Ave. and 19th St. Sunday afternoon.

She was riding in a car being driven northbound on Euclid Ave. by George Wasilusky, 21, 1735 S. Pleasant Ave., Ontario. Driver of the other car, westbound on 19th St., was Bernard Lyons, 55, Northridge. He was cited for right of way violation.

Miss Keykendall was released from the hospital after receiving medical care.

First-Aid Course Is Scheduled At Chaffey

A class in basic American National Red Cross First-Aid has been opened at Chaffey college under Chaffey adult education, O. E. Snyder, director, announced this week. The class was started at the request of Mrs. Frances Palmer, Ontario branch director, and Grayburn Martin, Ontario assistant director of civil defense.

The class will continue on Tuesday and Thursday evenings from 7:30 - 9:30 p.m. in Room 72 at Chaffey college. Ray Chandler is instructor.

Subdivider To Recover Installation Cost Of Exetend Sewer Line

Don Schmidt, Pasadena subdivider, is today preparing to extend the sewer line on the east side of Euclid Ave. 1560 feet northward to service a subdivision of 11 lots he is developing on the east side of the avenue.

The council agreed recently that Mr. Schmidt will be allowed to recover from future connections by property owners desiring sewer line service. The council authorized City Attorney Henry Busch to negotiate a contract with Mr. Schmidt carrying the recovery provision.

The name poplin comes from papeline, a fabric woven of silk at Avignon, France, in the 1400s. The new fabric was named to honor the Pope, who reigned in France when it first was woven.

Oily rags and those used in painting are fire hazards when thrown into uncovered piles. Spontaneous ignition can result. For safety, place such rags in a galvanized steel pail.

Council Approves Retaining Legal Aid In Parking District Formation

The legal firms of O'Melvaney & Myers, and Gibson, Dunn & Crutcher have been contacted concerning availability of a specialist to assist in legal matters relative to the formation of a parking assessment district in downtown Upland, City Attorney Henry Busch said yesterday.

The law firms were also asked to quote charges expected for the work to be done by the legal specialist in formation of the district, Attorney Busch said.

During a recent city council meeting City Manager R. G. Manley reported that the cost of clearing the four areas chosen for parking lots would be $12,800 with the cost for improving, including paving, estimated at $12,700. These two sums plus the $150,091 set as the value of the property by Francis Johnson, appraiser, brought the total cost of the project to $175,591.

The cost for this development, according to earlier figures by proponents of the parking district, was $180,00.

Mr. Manley told councilmen the buildings on the areas to be used for parking lots were below city standards and the houses could not be moved to other lots in the city. The houses will have to be wrecked, he said.

Following the city manager's report, Councilman Abner Haldeman moved that the city attorney be authorized to associate counsel in reference to procedure to establish the proposed parking assessment district. The motion was seconded by Councilman Don Carr and was passed unanimously.

Many Mourn Rev. Heilman

Rev. Karl Heilman

Passing of the Rev. Karl Heilman is mourned by hundreds of people in the community and at 2 o'clock Friday afternoon memorial services will be held to honor his memory.

The Rev. Heilman died at 4 p.m. Sunday at his home, 745 North Laurel avenue after being in ill health since 1950. He retired as minister of the Upland Methodist church five years ago after having served since 1947. He is survived by his widow, Mrs. Dora Heilman, and by his aged father, Emory J. Heilman.

Committal services were held at 2:30 p.m. yesterday in the Forest Lawn Memorial park, Glendale, with the service being under the direction of Dr. Ralph W. Lee, Upland, and Dr. James Lyons, Ontario, ministers of Methodist churches.

Memorial services in the Upland church will unite many people who greatly admired the church leader. Speakers will include Dr. James Baker, long time bishop of the church; Dr. J. Wesley Hole, treasurer of the Methodist conference, Dr. Lee, Dr. Fred W. Thornburg and Dr. Lyons. Robert Vance will be soloist.

Coming to Upland from Santa Ana, the Rev. Mr. Heilman made his leadership felt in the church and throughout the community. He served previously in Ventura and Hollywood.

Friends of Rev. Heilman have suggested that a permanent memorial be established in his honor at the church. Instead of sending flowers to the Friday service, friends have suggested that interested people make contributions to the Rev. Karl HEILMAN MEMORIAL FUND.

Committees Placed On Permanent Record At Mayor's Request

City council committee appointments were read into the record during a recent council meeting at the request of Mayor E. Tweed Stone.

Committees as recorded by City Clerk Hazel Cassell are:

Finance and budget, Councilman Robert Thrall, chairman Councilman Don Carr and Councilman Abner Haldeman.

Water and Sewer, Councilman Abner Haldeman, chairman, with Councilman Robert Thrall.

Street and lights, Councilman Don Carr, chairman, with Councilman Robert Thrall.

Police and fire departments, Councilman Don Carr with Councilman Robert Thrall.

Recreation board, Councilman Abner Haldeman.

Health board, Councilman Abner Haldeman, and Councilman Robert Thrall as council representative on the library board.

200 UC Sudtents Work 1,000 Hours

Nearly 1,000 man hours were worked by 200 Upland college students for a total of $893 during a recent student work project to raise money for the general administrative budget of the college, William Boyer, college dean, announced in thanking the community for splendid cooperation.

"Returns this year will make this one of the best of any of the years the project has been in operation," Mr. Boyer said. "I want to personally say thanks to each of the persons in this area who provided employment for students during the work project period.

"Your cooperation has revealed not only an interest in the school but provided a sterling example of outstanding citizenship."

The dean also thanked The Upland News for advance coverage of the project and publicity to aid the cause.

The Cerrillos hills, near Santa Fe, N.M., are pitted with old Indian turquoise diggings, gems from which are identified by their peculiar color and hardness.

The emu, an Australian flightless bird, averages about five feet in height.

NEWCOMERS

Among families who have come to Upland recently to make their home are Mr. and Mrs. Robert Gagnon and their two sons, Frank 10, and Robbie six year old. They are now settled in their new home at 234 Elizabeth land, in the Euclid Estates subdivision. Formerly of Burbank, the Gagnons came here from Wantah, Long Island, N. Y., where Mr. Gagnon was sent by the Lockheed Aircraft corporation six years ago. He is now foreman of the flight line at the Lockheed plant in Ontario.

Hans Ottoson, his wife and five year old son, Floyd, are occupying their new home at 285 Greentree road. This is one of the new houses in the Euclid Park estates. Mr. Ottoson is efficiency engineer at the Southern California Edison Co. steam generating plant on Etiwanda avenue. They formerly resided at Redondo Beach.

Mr. and Mrs. Paul Schmidt are living at 296 Greentree road, being very close to construction activities at the Euclid Park Estates. Mr. Schmidt, a contractor, is the father of Don Schmidt, who is in charge of the Euclid Park project. They formerly resided in Glendale and will continue to live here until the subdivision is completed.

Residing at 1024 East Olive street are Mr. and Mrs. Paul Shore, who formerly lived in Ontario. They purchased one of the new houses in this block on Olive street. Mr. Shore is proprietor of a service station on East A street at entrance to the Ontario airport. They are the parents of four children, Mark, Bobby, Deanna and Betty.

Returning to Upland after an absence of several years, Mr. and Mrs. R. R. Rowe, Jr., are now residing at 61 West Ninth street. They have been living in Riverside, where Mr. Rowe is employed and where he will continue to work. He is the son of Mr. and Mrs. Ronald R. Rowe, Ontario.

Mr. and Mrs. P. E. Olden and their two little daughters, Karen and Teresa are newcomers, residing at 272 South Third avenue. Former residents of Wichita, Kan., they resided in Ontario a short time before locating here. Mr. Olden is employed by the Loud Machine Co. in Pomona.

Recently purchased the residence at 1061 East Olive street, were Mr. and Mrs. E. J. Vadnais, who with their five children have permanently located here. Mr. Vadnais is employed by the Kevrf Construction Co., with various projects under way in California. The children are Bernadette, Betty, Patty, Eddie and Bill.

Mrs. Mamie Baker is another local representative of Abilene, Kan., having moved here and purchased the residence at 629 Highland court. She lived in San Bernardino a year before moving here. Her son, Ernest Baker, resides in Ontario.

Mr. and Mrs. Lawrence E. Head are occupying their newly purchased residence at 672 Vallejo way. They formerly resided in Ontario. Mr. Head is employed by the Pomona Tile Co. and Mrs. Head works for a tile company in Corona.

Formerly of Rockford, Ill., Mr. and Mrs. Raymond Senn and two sons are now residing at 660 East Eighth street. He is employed by the Loud Machine Co. in Pomona. Robbin and Danny are their two sons.

Mr. and Mrs. Freeman Boles and two daughters have joined the list of new Uplanders, coming here from Corona and buying the residence at 1009 Highland court. Mr. Boles is employed by the Betz Packing Co. Marsha and Danielle are the younger members of the family.

Mr. and Mrs. M. T. Price and two daughters, Sheri and Jannah have moved to Upland and are occupying their newly purchased residence at 350 Elizabeth Lane. Mr. Price is employed by the U.S. air force at the Ontario airport.

Plans Made For Chaffey Schools Summer Courses

Preliminary plans for Chaffey college and high school summer sessions indicates that the six week college term will open June 20 and the high school classes will take up June 20.

The college session is planned to close on August 1 and 2 with the aeronautics and vocational nursing courses to continue longer, Olof E. Snyder, director of the JC summer school, announced.

The entire college course, with the exception of aeronautics, is to be held in the evenings. Except for laboratory courses which will be in session five evenings a week, the academic courses are planned for two hours each evening Monday through Thursday.

Registration for the seven-week high school session will begin April 1 and continue to June 1 when announcement of classes selected for the session will be published.

Classes scheduled will be determined by the number of students registered for each, K. D. Martin, director of the summer session, said.

Vandals Smash Car Headlights For Second Time Within Month

J. E. Engkraf, 314 E. 11th St., reported to police that the left front headlight on his car had been smashed Friday night which was the second time this act of vandalism had happened to his car recently. He said the same headlight was smashed on March 15 but he made no report to police.

The car was parked in front of his home when the headlight was attacked, he said.

The lower Rio Grande valley of Texas produces the earliest strawberries, green corn, tomatoes, and onions grown in the United States usually.

Cucamonga Alta Loma

Troop 26 of the Alta Loma Girl Scouts went on a two-day hike to Corona recently. They stayed at the ranch of Mrs. Albert Schmutz's sister's in Norco. Attending were Elaine Quaschnick, Claudia Barbour, Connie Wyperd, Pollianne Grover, Susan Beckley, Julia Chavez and their leader Mrs. Schmutz.

Miss Peggy Beckley, daughter of Mr. and Mrs. L. A. Beckley spent Monday and Tuesday in Lynwood with Sandra Simmons.

Mrs. Jack Beekman, accompanied by her three children, Mary, Jimmy and Skip of Hermosa avenue, Alta Loma have gone to Oregon to visit Mrs. Beekman's parents and attend her brother's wedding.

Mrs. Lloyd Michael and children, Dennis, Marianne and Anita of Ramona avenue, left Sunday to spend part of the Easter vacation at Capistrano Beach.

Pfc. Paul Buff, son of Mrs. Olivia Buff, Archibald avenue, Cucamonga, is home on leave to spend Easter vacation with the family.

Mr. and Mrs. Harold Hively, and son Hal, Nineteenth street, Alta Loma, are enjoying a wonderful vacation at the Colorado River, fishing.

Mr. and Mrs. A. E. Lewis and three children, Donna, Jean and Jerry, Archibald avenue, Cucamonga, spent Sunday at Huntington Beach.

Martinez Allows Two Bingles As Raiders Humble Citrus Frosh

Manuel Martinez pitched the junior high Raiders to a two hit, 8-6, victory over Citrus frosh Monday in a game that saw the Raiders hang up eight safeties from opposing hurlers. Martinez went the full seven inning route.

Ruben Luna collected two hits in three trips to the plate for high number of hits during the day.

The Cardinals play Citrus a return game today on the Citrus diamond.

Funeral Services For Paul Newhall Davis

Private funeral services were held Tuesday morning at the Stone Funeral Home for Paul Newhall Davis, Foothill boulevard near Central avenue. The Rev. Joseph A. Erickson, Jr., rector of St. Mark's Episcopal church, officiated.

Mr. Davis died Thursday morning at San Antonio Community hospital following a six months' illness. The noted dog breeder was a native of Arlington Heights, Ill., and lived in this area for the past 25 years.

Surviving are his wife, Adelia M. Davis; one son, Robert M. Davis of Covina; two grandchildren; and two brothers, Joseph Davis of San Diego and Gilbert C. Davis of Denver, Colo.

The last rites were followed by private cremation.

A fathometer is used by ships to measure the depth of water. It works by sending a sound down through the water to be echoed back from the bottom.

Daniel Freeman staked out the first homestead in the United States near Beatrice, Neb., in 1863.
